## DIRECTORS' REPORT FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2000

Your Directors' are pleased to present the Thirty Sixth Annual Report of your Company together with the audited statement of accounts for the year ended 31<sup>st</sup> March, 2000.

We regret that the Annual General Meeting was delayed due to circumstances beyond our control. The company has received approval for extension of time from Registrar of Companies, Mumbai for holding the Annual General Meeting on or before 30<sup>th</sup> November, 2000.

	(Rs. in lacs)	
FINANCIAL HIGHLIGHT	Current Year	Previous Year
Total Sales and income	1,667.90	1,347.32
Profit before taxation	53.94	(32.69)
Taxation	(6.03)	(0.03)
Profit after taxation	47.91	(32.72)
Prior years' expenditure	(48.62)	-
Net Loss	(0.71)	(32.72)

A good order book at the start of the year enabled the company to achieve a turnover of Rs. 16.67 crores. After charging prior year expenses of Rs. 48.62 lakhs, the year has resulted in a small Loss of Rs. 0.71 lakhs.

### 2. DIVIDEND

Due to the loss incurred during the year, your Directors regret their inability to recommend a Dividend.

### 3. REVIEW OF OPERATIONS

During the course of the year although the company was restructured to better address the prevailing demand slump and increased competition it was not possible to appreciably reverse the trend. The actual performance of the engineering and core sector industries especially the steel industry fell far below the expectations of a sustained revival leave alone growth. Efforts to enter the international market have met with limited success largely because of the Company's inability to commit marketing expenditure due to paucity of funds. Some export orders were obtained, however in South East Asia, these could not be executed because of the customers' inability to fund these orders.

The Company's IT (Systems Integration) business also saw a sharp decline in demand due to competition and consequent erosion of margins which affected business volumes and profitability. The company was not able to raise the finance necessary to effectively expand or diversify this business. As a consequence, the Company was not able to book any significant revenue in respect of this activity. In the current financial year, the company has virtually discontinued the business.

### 4. PROSPECTS FOR 2000-2001.

Considering the continued recession in the Engineering industry the prospects for the current year are not promising. However, every effort is being made to control costs, trim the organisation and increase efficiency so that the company can tide over this difficult period. The focus will be on further restructuring the organisation to achieve these objectives, at the same time marketing efforts, upgradation of technology etc. would also be pursued vigorously. Given the inherent technical expertise available in the company, it should be possible to take full advantage of an upswing in demand in the future.

### 5. SUBSIDIARY COMPANY

The Company's Subsidiary Vulcan Exports Ltd. was not able to generate any export business during the major part of the year and incurred a loss of Rs. 7,17,870.00

Please refer to the attached Directors' Report of Vulcan Exports Ltd. for further details.

### 6. PRESIDENT & CEO.

In line with the process of giving increased responsibilities to Executives in the Company, the Board decided to appoint Mr. Anil Deshpande as President & CEO and also Manager under Section 387 of the Companies Act, 1956 subject to the approval of the shareholders. Mr. Deshpande will be responsible for day to day operations of the company.

## 7. DIRECTORS

Mr. Suvir Malaney has also resigned as Jt. Managing Director with effect from 1<sup>st</sup> November, 2000 but continues to remain as a Director on the Board and devote his time to assist and guide the company as and when required, without any remuneration. Vaswani as an additional Director pursuant to section 260 of the Companies Act, 1956. Mr. Vaswani holds office up to the date of forth coming Annual General Meeting. As required under the Companies Act, 1956, a notice has been received from a member signifying his intention to propose Mr. Vaswani's candidature for the office of a Director.
