MANAGEMENT DISCUSSION AND ANALYSIS

a) Industrial Structure and Development:

Following the global financial and economic turmoil, last year was a year of stability and significant restoration of confidence in global markets. Regarding the Indian economy it has been rebounded strongly from the impact of the global financial crises and demonstrated its inherent strength and growth potential.

We believe that we can look forward to a period of sustained growth driven by India's strong domestic fundamentals. It is in the framework of this evolving economic scenario that we have set out our growth strategy.

b) Opportunity and threats:

The opportunity for your company is in the form of ever expanding global market. With the addition of new products, the existing market can also be widened.

The competition from the Global Players particularly China is a matter of concern. Your company counters this threat through innovation in products and quality.

Your company, however, continued its focus on developing high value added products which in the long run would ensure a stable market share.

c) Segment wise performance :

The Company is operating in a single segment. Hence, no separate segment wise information is given.

d) Industry Outlook:

Despite the competition from Global Players, your company continues to be cautiously optimistic about the future.

e) Risk and Concerns:

Your Company faces severe price cycling caused by factors such as crude oil price and exchange rate fluctuation rupee vis-à-vis US dollar. This is an era where prediction of the movement of the currency is difficult and your company has to keep this in mind while fixing prices. Your Company is taking proactive steps to stem the margin erosion due to this factor.

The continuous dumping by the Chinese players continues to be a concern putting pressure on margins.

f) Internal Control System and their adequacy:

The Company has in place adequate internal control systems, commensurate with the size and nature of its business. The company has a well defined system of management reporting and periodic review of business to ensure timely decision making and corrective action.

The management information system forms an integral part of the Company's control mechanism.

g) **Discussion on Financial Performances:**

During the year, the company has achieved its turnover in same level of previous year in spite of unstable global economic conditions and stiff competition in the International Market. The net profit decreased by 81% due to considerable weakening of Indian Rupee.

h) **Human Resources:**

The Company recognizes human resources as a key component for facilitating organizational growth and shareholder value creation. Various initiatives have been taken to strengthen human resources of the Company. Relation with the employees and workers were cordial.

REPORT ON CORPORATE GOVERNANCE

(Pursuant to Clause 49 of the Listing Agreement)

1. Company's Philosophy:

Your Company believes in adopting and adhering to all recognized corporate governance practices and continuously benchmarking itself against each such practice. Your Company understands and respects its fiduciary role and responsibility to the shareholders and strives to meet their expectations.
