**Torrent  
Pharmaceuticals  
is now just  
Torrent  
Pharmaceuticals.**

This year, Torrent Pharmaceuticals redefined itself by focussing on its core business, pharmaceuticals. The result: a 21% growth in domestic sales of formulations, against an industry average of 15%. Improving our industry ranking in domestic sales to No. 6 in May 1997. During the year, we disposed of our non-pharma businesses and investments. Then we acquired the pharma export business of Torrent Exports. That gives us direct access to markets in over 60 countries, where our products are sold under our own brand names. Add to this, the other pharma investments we acquired from, among others, Torrent Exports, and you have a company that is focussed on its area of core competency.
