DIRECTORS' REPORT

Dear Shareholders,

Your Directors have pleasure in presenting the Twenty-Second Annual Report of your Company together with the Audited Accounts and Auditors' Report for the financial year ended on 31st December, 2011.

FINANCIAL RESULTS

The key financial highlights of the Company for the financial year ended on 31st December, 2011, are as under:

(₹ in Million)

Particulars	Year ended 31st Dec., 2011 (12 months)	Period ended 31st Dec., 2010 (15 months)
Net Sales	16,576.68	18,966.93
Other Income	68.49	42.22
Total Income	16,645.17	19,009.15
Profit before Interest, Tax & Depreciation	860.54	848.31
Interest and Finance Charges	620.63	374.99
Depreciation	186.48	185.53
Profit before Tax	53.43	287.79
Provision for Taxation	17.58	84.68
Profit after Tax	35.85	203.11

The figures for the current year are for a period of 12 months as against 15 months in the previous period and hence, are not comparable.

OPERATIONS

During the year under review, the first three quarters were reasonably good, whereas there was decline in the demand during the last quarter. Though the Company was able to achieve reasonable growth in net sales, the profitability was affected on account of increase in raw material costs, rising interest rates and intense competition. As a result, there was a decline in the profit after tax from ₹ 203.11 Million to ₹ 35.85 Million.

APPROPRIATIONS

Dividend:

The Board of Directors of the Company do not recommend any dividend for the year under review, in view of potential fund requirements.

Transfer to Reserves:

Your Directors propose to transfer an amount of ₹ 5.00 Million to the General Reserve. An amount of ₹ 371.07 Million is proposed to be retained in the Profit and Loss Account.

TRANSFER TO INVESTOR EDUCATION AND PROTECTION FUND

The Company has transferred a sum of ₹ 0.21 Million in respect of unpaid/unclaimed dividend for the financial year 2003-2004 to the Investor Education and Protection Fund.

FIXED DEPOSIT

Your Company has not accepted any fixed deposit within the meaning of Section 58A of the Companies Act, 1956 and as such, no amount of principal or interest was outstanding as of the Balance Sheet date.

PERSONNEL

The Company does not have any employee whose particulars are required to be furnished under Section 217(2A) of the Companies Act, 1956, read with the Companies (Particulars of Employees) Rules, 1975, as amended from time to time.

CONSERVATION OF ENERGY

Your Company has undertaken various initiatives to promote energy conservation and to seek new ideas constantly, to reduce consumption and improve energy efficiencies.

Your Company remains committed towards introducing energy efficient products. To create energy efficient products, it is essential that the products consume less energy, use few resources and at the same time meet the performance expectations of its consumers. It is also important to ensure that the manufacturing process has less impact on the environment. Your Company is therefore, focusing on continuous improvement to develop products and manufacturing processes that are energy efficient and environment friendly.

During the year 2011, your Company has initiated several energy conservation programs. It has implemented various innovative measures at its plant for conservation of energy, some of which are as under:

- Introduction of additional machinery with improved technology which results in reducing the cycle time and power saving;
- Modified existing tooling and raw material which does not require painting, which in turn reduce power consumption to run paint/salvage plant;
- Adoption of the latest techniques for production e.g. conversion of belt conveyors to cell line concept where power requirement is minimal and productivity gets improved;
- Use of energy efficient lamps like LED Lamps in the manufacturing facility.
- Installation of improved energy efficient machinery which has built-in cooling system and does not require additional air conditioning;
- Use of natural air ventilators which does not consume power;
- Energy saving initiative which involves auto power switch off during break time on normal working days;
- Provision of natural roof lighting in factory to reduce energy consumption;
- Induction of Energy Audit at the manufacturing facility ;
- Creating awareness among workers and employees about effective utilization of energy resources; and
- Plantation of trees at the manufacturing unit.

The above initiatives have resulted in significant reduction in power consumption. Further, the Company has introduced many energy efficient products during the year, which in turn has resulted in conservation of energy.

RESEARCH AND DEVELOPMENT AND TECHNOLOGY ABSORPTION

Your Company is committed towards bringing the latest technology at the door step of its customers. It continuously makes efforts towards Research and Development (R & D) activities and has been constantly active in harnessing and tapping the latest and best technology in the industry.

Your Company has a dedicated R & D team which is focused on driving innovations in all areas of its business which has resulted in introduction of innovative products, improvement in quality of existing products, reduction in cost, improvement in overall efficiency and performance of the Company. At the R & D Centre, products are developed with research in all areas of consumer concerns like quality, safety, reliability, performance, aesthetics and ease of operation by implementing the latest technologies. Implementation of new and innovative technological ideas in the products developed has given a young, vibrant and innovative product image in the consumer market.

Specific areas in which R & D activities are carried out by the Company:

- Market trend analysis;
- Study and analysis of consumers' demands and changing needs;
- Bringing features of various products together through changes in hardware and software;

- Introduction of smart LEDs with Android platform;
- Introduction of ATOM in SD & HD resolutions with smaller size; and
- Introduction of RF remote control unit.

Technology Absorption:

The Company's focus has been to develop state-of-art products and be a leader in new technological areas. However, the management believes that information technology can be extensively used in all spheres of its activities to improve productivity and efficiency levels.

The efforts made by the Company towards technology absorption have resulted in the introduction of innovative energy efficient products at competitive cost which are likely to enlarge the market share of the Company's products.

During the year under review, the Company has incurred an amount of ₹ 5.66 Million towards R & D Activities representing 0.03% of the turnover.

INFORMATION TECHNOLOGY

Your Company continues to invest in Information Technology (IT), leveraging it as a source of competitive advantage. During the year 2011, your Company has implemented latest version of SAP ERP ECC 6.0 for better operational control.

The enterprise-wide SAP platform forms the backbone of IT and encompasses all core business processes in the Company and for collaboration with the suppliers and customers. It provides a comprehensive data warehouse with analytics capability that helps in better and speedy decisions. Supply chain optimization, enabled by the IT capability, remains a source of significant value.

Your Company has institutionalized an extensive IT capability for customer development function to support execution in the front-end. Your Company has put in place an enabled consumer interaction centre for addressing complaints and suggestions from consumers, retailers and distributors.
