Conventional interpretation of business objectives that adding value to the balance sheet is the sole mandate of managements.

At Abhishek we chose to take this a step ahead.

Our vision encompasses an effort to not just ensure financial value augmentation but also a consistent improvement in the quality of life around us. Our focus is thus drawn from an **envisioned** future, an **endeavour** to excel responsibly in our chosen domains, a spirit of **enterprise** which we infuse in all our people, and allowing for the creation of an environment that **enables** this.

It is this vision that guides our actions and is the critical consideration in all our business decisions. It is this objective that is at the heart of our philosophy. It is this guiding principle that we live and live by, everyday.

Abhishek Industries. Adding value to life.

MANAGING DIRECTOR'S MESSAGE

Dear Shareholders,

We are delighted to share with you our endeavour towards creating an organisation that strives to continuously add value to life. Our vision becomes an enabler in this direction. As a vision, it encompasses us, our team, our stakeholders as well as the larger society we live and operate in.

At Abhishek we believe in setting and working towards ambitious, long term goals. Our objective is to aggressively grow profitable revenues and maintain high growth potential while ensuring prosperity for all stakeholders. In doing so, we will emerge as a leader in our business areas and become a first choice destination for all our stakeholders.

Our initiatives are geared to achieve development and creation of a holistic eco system that elevates the process of creation; our focus is on the creation of wealth as well as ensuring continuous prosperity.

We are creating a participative, progressive and profitable enterprise for all our stakeholders encompassing quality lifestyle, appreciating capital, better environment and empowerment.

We are confident that with your continued support, the Company will accelerate its momentum towards its objectives and continue to add value to life.

With warm regards,

Rajinder Gupta
