MANAGEMENT DISCUSSION AND ANALYSIS REPORT

INDUSTRY OVERVIEW:

Indian pharmaceutical industry is on a strong growth path with the total value of Indian Pharma industry expected to reach almost \$50 Billion by 2015-2016. Out of this close to 22 billion is expected to originate from the domestic formulation business. A key issue faced by the industry is management of the supply chain. Supply chain in India is highly fragmented with more than 550,000 retail pharmacies in the country. According to a report by bioplan Associates, though the number of distributors have increased by 4 fold in the last three decades, from 125,000 in 1978, the volume of prescriptions distributed have not increased proportionally. Hence it is evident that though there is a growth in the number of distributors and retail pharmacies, distribution is not very efficient. Also the rural markets remain highly untapped.

Outlook:

Keeping in view of the current competitive marketing conditions and improving economic situations in the country, the company is looking at various cost reduction measures and hopes to perform better in its margins. The Company looks forward to greater reach and significant holding of hand with new business areas in the years to come. The Company also expects to enhance the shareholders value through a responsible strategy directed at building value over the long-term.

Risk and concerns:

An effective risk management framework enhances the organization's ability to proactively address its risks and opportunities by determining a risk mitigation strategy and monitoring its progress on continuous basis.

Our risk management framework is intended to ensure that risks are identified in a timely manner. We have implemented an integrated risk management framework to identify, assess, prioritize, manage/mitigate, monitor and communicate the risk across the county.

Senior management personnel meet at regular intervals to identify various risks, assess, and prioritize the risks. After due deliberations, appropriate strategies are made for managing/mitigating the risks. The company takes the help of independent professional firms to review the risk management structure and implementation of risk management policies. Audit Committee on a quarterly basis, review the adequacy and effectiveness of the risk management strategies, implementation of risk management/mitigation policies, It advises the board on matters of significant concerns for redressal.

Internal audit System:

During the year the Company had appointed M/s. Ramesh Athasniya & Company, Chartered Accountants as internal auditors to the Company an external audit firm of Chartered Accountants, who submits reports on quarterly basis. The reports are placed before the Audit Committee and comments and suggestions made by the internal auditors are noted and implemented by the Company.

Cautionary Statement:

Statements in this Management Discussion and Analysis Report may be "forward looking statements: within the meaning of applicable securities laws and regulations. These statements are based on certain assumption and expectations of future events. Actual results could differ materially from those expressed or implied. Important facts that could make a difference at the Company's operations include economic conditions affecting domestic demand and supply conditions, finished goods prices, changes in government regulations and tax regime etc. The Company assumes no responsibility to publicly amend, modify or revise any forward looking statements on the basis of subsequent developments, information or events.
