EXPLANATORY STATEMENT PURSUANT TO SECTION 173(2) OF THE COMPANIES ACT, 1956 IN RESPECT OF THE SPECIAL BUSINESS IN THE NOTICE IS ANNEXED:

ITEM NO. 7

The sanction of the Shareholders is sought to permit the Board to borrow moneys in excess of the Company's capital and free reserves. This is permissible under section 293(1)(d) of the Companies Act, 1956, if the shareholders approve in their meeting. With the company's plans for expansions and diversification, your Board thinks it necessary to acquire this power and recommends passing of this resolution.

None of the Directors are in any way concerned or interested in this resolution proposed to be passed.

REPORT OF THE DIRECTORS TO THE SHAREHOLDERS

We take pleasure in presenting the 63rd Annual Report of the Company together with the Audited Balance Sheet, Profit & Loss Account and Cash Flow Statement for the year ended 31st March, 2010

Corporate Tax	11.26	—
General Reserve	102.00	115.00
Balance carried forward	3334.85	2698.83

OPERATIONS AND OUTLOOK

The economic crisis and slowdown witnessed in all the sectors during 2008-09 continued during 2009-10 as well. While developed countries continue to reel under recession, it is believed that Asian countries are back on the growth track. Your company is well poised in terms of capacity and marketing infrastructure to capitalize on growth opportunities as they arise.

During the year under review, your company has surpassed the figure of production and sales in quantitative terms, as compared to the previous year. However, the profit during the year, before tax was Rs.1359.45 lacs as against Rs.1486.20 lakh last year, indicating a decrease of 8.53%. The decline in performance is on account of decrease in sales values.

The expansion in the rolling capacity by 150000 Mt/p.a. at Gummudipondi undertaken during 2008-09 has been successfully completed during 2009-2010, with this the Cumulative rolling capacity of the company will be 348000 Mt/p.a. The cost of Raw Material and availability of Power

are two major factors effecting our performance, with this in mind during the year 2009-10, the company has acquired M/s Chitrakoot Steel and Power Pvt Ltd. which is manufacturing sponge iron a basic raw-material for TMT bars. The installed capacity of this plant is 36000 Mt / p.a.. During the year under review there were drastic power cuts to the tune of about 40%, consequently effecting our costs and also the production. Due to these power cuts we could not utilize our capacities in full thus losing out on economies of large scale production. During the current year, your company would be commencing the installation work on the 35 MW thermal power plant at Gummudipondi for which land has already been acquired and term loan sanctions have been received from the Bankers. The rights issue for which necessary approvals were obtained from the share holders in the last AGM, will be done in due course during this year.

DIVIDEND

Our Directors are pleased to recommend a dividend of 20% on the Equity Capital subject to members' approval.

DIRECTORS

Mr S Soundararajan, Director of the Company, retires by rotation and being eligible, offers himself for re-election.

Mr P T Rangamani, Director of the Company, retires by rotation and being eligible, offers himself for re-election.

Shri C Ramachandran, Director of the Company, retires by rotation and being eligible, offers himself for re-election.

AUDITORS

The Auditors of the Company M/s. C.A. Patel & Patel., Chartered Accountants, Chennai, retire at the ensuing Annual General Meeting of the Company and being eligible, offer themselves for re-appointment

PERSONNEL

Your Directors wish to express their appreciation to the employees at all levels for their contribution to the Company's performance during the year under review.

COMPANIES (DISCLOSURE OF PARTICULARS IN THE REPORT OF THE BOARD OF DIRECTORS) RULES 1988 AND PARTICULARS OF FOREIGN EXCHANGE EARNINGS AND OUTGO

The Information relating to conservation of energy, technology absorption and foreign exchange earnings and outgo required to be disclosed as per Section 217(1)(e) of the Companies Act, 1956 read with the Companies (Disclosure of Particulars in the Report of the Board of Directors) Rules 1988 are enclosed with the report.

FIXED DEPOSITS

The Company has complied with the provisions of Section 58A of the Companies Act, 1956 and Rules made there

under in respect of acceptance of deposits from public. There are no unpaid/unclaimed deposits.

DEMATERIALISATION OF SHARES

Your Company has entered into an arrangement with National Securities Depository Limited (NSDL) and Central Depository Services Limited (CDSL) for dematerialization of the Company's shares in accordance with the provisions of the Depositories Act, 2001. Accordingly, our company's shares can be dematerialized in the CDSL and NSDL under the ISIN - INE463D01016

DIRECTORS' RESPONSIBILITY STATEMENT

In compliance of Section 217 (2AA) of the Companies Act, 1956, your Directors confirm that

- in the preparation of the annual accounts, the applicable accounting standards have been followed along with proper explanation relating to material departures;
- such accounting policies have been selected and applied consistently and judgments and estimates made that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company as at 31st March, 2010 and of the Profit of the Company for the year ended on that date;
- proper and sufficient care has been taken for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;
- the annual accounts have been prepared on a going concern basis.

AUDIT COMMITTEE

In compliance of Section 292A of the Companies Act, 1956, an Audit Committee of the Board is consisting of the following Directors:

- Mr S. Soundararajan - Chairman
- Mr. S Ramakrishnan
- Mr. A P Venkateswaran

CORPORATE GOVERNANCE

The Company has complied with the mandatory requirements of Corporate Governance as prescribed in the Listing Agreement entered into with the Stock Exchanges to the extent possible, taking into account, the operational requirements, financial position of the Company etc. A separate report on Corporate Governance along with the Auditor's Certificate on its compliance is attached as Annexure to this report.

PARTICULARS OF EMPLOYEES

The statement of particulars of employees as required section 217(2A) of the Companies Act, 1956, read with the Companies(Particulars of Employees) Rules, 1975 as amended is appended.

STATUTORY DISCLOSURES

None of the Directors are disqualified under the provisions of Section 274(1)(g) of the companies Act, 1956. The Directors have made the requisite disclosures, as required under the provisions of the Companies Act, 1956 and Clause 49 of the Listing Agreement

SUBSIDIARY COMPANIES

As required under section 212 of the Companies Act, 1956 the Balance Sheet, Profit & Loss Account and the reports of the Board of Directors and Auditors of the Subsidiary Companies have been attached to the Balance Sheet of your Company.

GENERAL

The Directors take this opportunity to convey their appreciation of the services rendered and support given by the Company's Bankers, Financial Institutions, suppliers and customers.

Your Directors thank you, the Shareholders for your continued patronage.

For and on behalf of the Board

MANAGEMENT DISCUSSION AND ANALYSIS

OVERVIEW

The past couple of years have been difficult for the steel industry, following a sharp slump across industries worldwide in the wake of the US sub-prime crisis of 2007.

Despite global crisis the Indian Industries seem to have weathered the storm, most of whom have posted fairly good results.

I. Industry Structure and Developments

The Company's products are TMT Bars, sponge, Billets and Ingots in the steel division and in synthetic division it is PP Woven Sacks, FIBC and Woven Fabric. TMT Bars are used in the Construction Sector and the plastic products cater to the packaging needs of various industries such as Cement, Fertilizers, Food grains, Sugar etc..

The raw materials for Steel Making are M.S. scrap, Sponge and for TMT Bars is Billets. PP granules is used for manufacture of plastic packaging products. This raw material is available in abundance within the country and can also be freely imported. Being in the commodity market the company is continuously making efforts for reducing the cost of production to sustain its margins.

II. Opportunities and Threats

The Cost of Raw Material and power are major costs incurred for producing Steel Rods. Volatility in the price of scrap / sponge affects the company's margin. With a view to overcome this constraint the company has acquired M/s Chitrakoot Steel and Power Pvt Ltd. which is manufacturing sponge iron a basic raw-material for TMT bars. The installed capacity of this plant is 36000 Mt / p.a.. During the year under review there were drastic power cuts to the tune of about 40%, consequently effecting our costs and also the production. Due to these power cuts we could not utilize our capacities in full thus losing out on economies of large scale production. During the current year, your company would be commencing the installation work on the 35 MW thermal power plant at Gummudipondi

With globalization and liberalization the demand gap is ever increasing. With almost 3 decades of presence in the industry the company has earned a good name for its commitment to quality and timely supply. With the enhancement in production capacities the company is well poised to cater to a Bigger market.

Fragmented industry with more SSI units. Speculation and uncertainty does not allow price to settle and this scenario synchronizes well when the going is good.

III. Segment-wise/Product-wise

The production of steel rods was 155544 MT compared to 124205 MT in the previous year. The sale of rods during the year was 143362 MT compared to 120315 MT in the previous year

The production of synthetic products was 11464 MT compared to 11188 MT in the previous year. The sale of synthetic products during the year was 11101 MT compared to 11094 MT in the previous year

IV. Future Outlook

With various infrastructure facilities coming up both in private and public sectors including nuclear power and water, across the country, the management envisages huge demand for its products especially steel. The company has emerged stronger in the last three four years and is well set to capitalize on growth prospects as they arise. The main Raw Material for our Steel making is Scrap / Sponge Iron and Power, the Company has acquired M/s Chitrakoot Steel and Power Pvt Ltd., a manufacturer of Sponge Iron with a capacity of about 36000 / TPA to reduce the cost of its input. The other major cost is power which also the company is aiming to reduce by installing a 35MW thermal Power plant at Gummudipondi.

V. Quality

The Company continues to strive to be a quality manufacturer in both its Steel and Plastic Division. Both the divisions are covered under ISO Certificate. The Company has also procured all Certificates from Govt. agency for their Products. Currently the Company is looking towards covering their quality under various international market standards, namely, Sri Lanka, U.K., Middle East. We are getting the Rebars certified from CRM, Belgium. The company has a Microsoft ERP Solution which will further add to the quality Systems

VI. Risk and Concerns

Both the economy and the industry are on the growth trajectory. However, increasing prices and

availability of key input and raw material, delay in infrastructure development, availability of skilled manpower, volatility in global economy are some of the major risks and concerns that have to be addressed. All these have an impact on the operations of the company. The company is conscious of the risks this entails and has put in place a mechanism for minimizing and mitigating the same. The process is reviewed periodically.

VII. Internal Control Systems and their adequacy

The company has proper and adequate system of internal controls commensurate with its size and nature of operations to provide reasonable assurance that all assets are safeguarded, transactions are authorized, recorded and reported properly and applicable statutes, the code of conduct and Corporate policies are duly complied with.

The Company has an Internal Audit Department, which conducts audit of various departments and areas. In line with international trend, planning and conduct is oriented towards a review of controls in the management of risks and opportunities in the Company's activities. The annual audit programme is developed by the Internal Audit Department and approved by the Audit Committee of the Board. The Internal Audit Department reports its findings and observations to the Audit Committee, which met four times during the year to review the audit observations and to follow up implementation of corrective actions. The Committee also consults the Company's statutory auditors to ascertain their views on the adequacy of the internal control systems in the Company. The Audit Committee has majority of independent directors to maintain the objectivity.

The Auditors' remarks regarding adequacy of internal controls can be seen in Clause No. 4 of the Annexure to the Auditors' Report.

VIII. Financial performance with respect to operational performance

Turnover for the year under review amounted to Rs. 63420.40 Lakh as against Rs. 69970.06 Lakh for the previous year showing a decrease of 9.36% over the last year. We would like to mention here that in quantitative terms the company has surpassed the figure of production and sales as compared to the previous year. The profit during the year, before tax was Rs.1359.45 lacs as against Rs.1486.21 lakh last year, indicating a decrease of 8.53%. The decline in performance is on account of decrease in sales values.

IX. Human Resource and Industrial Relations

The company, at the year-end had 1550 employees (including contract labour) as compared to 1420 in the previous year and industrial relations remained cordial during the year. To meet ongoing challenges in the market place, employees are trained continuously to upgrade both their knowledge and skills.

X. Cautionary Statement

The above Management Discussion and Analysis describing the Company's objectives, projections, estimates and expectations may be "forward looking Statement" within the meaning of applicable securities laws and regulations. Actual results could differ materially from those expressed or implied. Important factors that could make a difference to the Company's operations include external economic conditions affecting demand/supply influencing price conditions in the market in which the Company operates, changes in Government regulations, statutes, tax laws and other incidental factors.

REPORT ON CORPORATE GOVERNANCE

(Pursuant to Clause 49 of the Listing Agreement)

Your Company aspires to follow the best practices in the area of corporate governance and the principles of fair representation and full disclosure in all its dealings and communications.

Your Company's annual reports, results presentations and other forms of corporate and financial communications, provide extensive details.

1. COMPANY'S PHILOSOPHY ON CODE OF GOVERNANCE
