The Directors of the Company are basically located at Hyderabad. In order to effectively control the administration of the Company it has become necessary to shift the Registered Office of the Company from Maharashtra to Andhra Pradesh. Further the shifting of the Registered Office will reduce overhead and costs in the present difficult market senerio. Maintenance of two offices and working personnel in Hyderabad and Mumbai and also Directors trips to Mumbai to monitor the functioning of the Company is proved to be highly expensive. Hence, it is proposed to shift the Registered Office to Andhra Pradesh.

None of the Directors are interested in the above items of business except as the members of the Company.
