ANNEXURE TO THE NOTICE

Explanatory Statement Pursuant to Section 173(2) of the Companies Act, 1956 :

ITEM NO. 8

Mr. P. K. Saraf was appointed as an Additional Director in terms of the provisions of Section 260 of the Companies Act, 1956. Mr. Saraf is to hold office till the date of the forthcoming Annual General Meeting. He is eligible for appointment as Director of the Company and in this respect the Company has received from a member notice under Section 257 of the Companies Act, 1956 proposing his appointment as Director of the Company under Articles 79(b) and 83 of the Company's Articles of Association.

Except Mr. Saraf none of the Directors are interested in the resolution.

ITEM NO. 9

With the coming into force of The Depositories Act, 1996 the investors have been granted the option of holding securities in a physical or dematerialised form. Accordingly it is felt that the Company may have to opt for fungible form and consequential dematerialisation of the Equity Shares of the Company in future.

The existing Articles of Association of the Company do not contain any clause relating to fungible form of shares and securities and hence there is a need to alter the Articles of your Company so that it is consistent with the said System. The alteration can be carried out by passing a Special Resolution as set out in the Notice.

Board recommends the resolution mentioned in item no. 9 for your approval.

None of the Directors are interested in the resolution.

The Company could not achieve the projected profitability due to the reasons explained below :

1. The Company could not take up any Merchant Banking activities due to the depressed market condition. Moreover companies engaged in fund based financing, have been stopped from carrying on the business of Merchant Banking as per the directives recently issued by the Securities and Exchange Board of India and accordingly the Company has surrendered the Merchant Banking category I Licence issued by SEBI.

2. Owing to the compulsory additional provisioning for non-performing assets as per recent Reserve Bank of India guidelines, there has been a substantial erosion of profit during the year.

DIVIDEND

Your Directors are pleased to recommend a Dividend of 50 paise per share of Rs. 10/- each on pro-rata basis.

RESERVES & SURPLUS

The Balance in Reserves & Surplus stands at Rs. 12,25,90,518/- (as on 31.3.97 : Rs. 12,40,88,488/-) after the appropriations mentioned above.

NOTES ON ACCOUNTS AND AUDITORS' REPORT

The Auditors have made references to the Notes on Accounts in their report, which are explained below:

- 2.1 The Lease Equalisation Reserve has been treated in a manner that is in consonance with the accepted practices currently followed by the other leading companies in similar business activities.
- 2.2 Regarding Depreciation, the Company has acted on the basis of a legal opinion obtained on this issue.
- 2.3 The relevant note on the Accounts is self-explanatory.

PERFORMANCE

In spite of the adverse conditions prevailing in the economy and more specifically in the context of Non-Banking Financial Companies, your Company has done reasonably well. The Gross Income has gone up by 11% compared to last year. However, the net profit after tax has reduced on account of writing off of the old loans inherited by the present management as also due to the provisioning for Non-performing Assets.

The Reserve Bank of India from time to time has laid down policies and has issued stricter guidelines on the functioning, provisioning norms for and supervision/monitoring of, all NBFCs. The Company has therefore been compelled to make additional provisions for Non-Performing Assets as per the revised guidelines issued by the Reserve Bank of India on May 12, 1998.

Your Directors are happy to inform that during the year under review, the Company has secured Rs. 450 lacs from different banks as additional resources for deployment to its core area of business i.e. hire purchase of commercial vehicles and leasing of equipment.

FUTURE OUTLOOK

Your Company's Management feels that since the Company's core competency is in the financing of commercial vehicles, it should further consolidate its market share in this sector. It has, therefore, begun to expand the regional network in the districts of West Bengal to better leverage opportunities in this business, which it expects will yield positive results.

The management is hopeful that through improved recovery of delayed instalments, the level of non-performing assets shall come down, which will further enhance the Company's profitability.
