CHAIRMAN'S LETTER

PERSEVERANCE IS THE SECRET OF SUCCESS

Dear Fellow Shareholders,

During the year under review, your Company has weathered through the extraordinarily difficult legal and regulatory environment. The year gone by witnessed a paradigm shift in Indian indirect taxation system as the nation migrated to the goods and services tax ('GST') regime effective from July 01, 2017.

GST IMPACT

Under the erstwhile system, the solar power generating systems were exempt from the whole of excise duty and most state VAT laws provided merit rate of tax thereon. It is perhaps considering this rate structure that renewable energy devices and parts thereof including solar power-based devices, solar power generating systems, solar lantern/solar lamp have been made subject to GST at the rate of 5%. In earlier regime the execution of turn key projects were treated either in supply plus service tax criterion or sometimes in works contracts where there is only a single price and absence of cost of service part. The rate of GST on works contract is 18%.

Hence, post GST this confusion created a lot of lost opportunity. The difference is of 13% is a sunk cost for purchaser as final produce Power is out of GST purview.

Despite representations, no clarity has yet been announced to bring every one on one page. Hence, solar sector is under shadow of clouds of non-clarity.

OA CHARGES

Your company operates in Solar Park business, various states have slapped additional cross subsidy charges for the Open Access power customers, this make investment in Solar Park under OA supply difficult, hence, this business also took the hit.

COMPANY PERFORMANCE

Due to the above-mentioned regulatory changes the growth of your company is hampered and it resulted in a downfall of 28.88% in its annual turnover at ` 334.17 Crore for the fiscal year 2018, in comparison to that of ` 486.34 Crore in the previous fiscal year 2017.

The Profit after tax is ` 17.01 Crore for the fiscal year 2018 in comparison to that of ` 35.93 Crore in fiscal year 2017.

Every business faces down cycle and your company is also facing a similar cycle, but

Your Company is looking on various opportunities to grow in Energy space. We are toying up with new ideas to create value for all stakeholders.

I would like to take this opportunity to thank our Board of Directors, employees and partners for being an integral part of this journey. Our shareholders, too, have been a constant source of support, as have been the governments and other institutions that we engage and interact with. I would again like to repeat that "PERSEVERANCE IS THE SECRET OF SUCCESS"

We remain committed to our strategy and vision and are confident of the continued support of all our stakeholders and well-wishers.

With Best Wishes,

Shyamsunder Mundra
Chairman & Managing Director
