# Uniply Industries Limited

## The Choice of leading manufacturers architects and designers

Uniply Industries Limited was established in 1996 with the belief that it could provide Indian consumers with the best in quality plywoods and other panel products. This belief has made Uniply a name synonymous with quality and reliability.

Uniply's belief in its own abilities and the use of state-of-the-art technology lets it grow beyond boundaries. Its association with world renowned manufacturers, architects, interior designers and contractors, enables it to be always abreast of changing market needs and demands.

Uniply has always believed that customers will only buy a product if they trust the company. As a company with strong values, Uniply has endeared itself to the customer.

**OUR PHILOSOPHY.** The customer is the most important part of our business. By providing him quality at all costs, we are building a great brand based on a foundation of great relationships.

**OUR MISSION.** To delight the customer by delivering the highest international standards for his use.

**THE REWARDS.** Uniply has achieved the ISO 9001-2000 certification from DNV UKAS Quality Management certification. Every sheet of plywood that comes out of Uniply also bears the ISI mark for assured quality.

The future is our chance to create a history that we can be proud of. Uniply is a team that believes the sky is not the limit. Newer challenges are looked at as a means to build greater trust among architects, interior designers, business associates, craftsmen and customers.

In the near future Uniply is looking not just to raise the bar on quality, but also create products that cater to a wider variety of customer's need. These products will include: Panel products and Knock down furniture.
