OPERATIONS, MANAGEMENT DISCUSSION AND ANALYSIS :

During the year under review the Company has suffered losses though there was marginal improvement in Sales. It was mainly due to Exchange Fluctuations. Prices of Raw Materials also increased during the year without corresponding increase in Selling Prices. On the other hand Export Realizations were reduced due to decrease in foreign currency rates against Rupee. The Company has maintained its productivity during the year at a reasonable level due to stable long term marketing policies and stricter cost controls.

In addition certain unavoidable provisions had to be made in respect of Inventories so as to reflect a reasonable realisable value. This added further to the losses inspite of increased Turnover.

However, as reported last year, the Net Worth of the Company being fully eroded, references had been made to the BIFR under the provisions of the Sick Industrial Company (Special Provisor) Act, 1985 which are still pending with the Board.

DEPOSITS :

Your Company has not accepted any deposit within the meaning of Section 58A of the Companies Act, 1956 and the rules made thereunder.
