Chairman's Message

Dear Members,

I welcome you all, on behalf of Urja Global Limited, at the 23rd Annual General Meeting of the Company

It is my pleasure to chair this Annual General Meeting of the Company and to be a part of the Urja Group in its historic journey.

The year under review has proved out to be a very challenging, exciting and a revolutionary year for the Company. Recognizing the need of the market and our valuable customers, our Company has been dedicated to initiate advanced approach so as to serve the market better.

If we take a look over our economy, in this era of development, Indian economy saw the "strongest growth" in the first quarter of 2015 among large economies, including China, the US, Germany and Canada. Data compiled by the Organization for Economic Cooperation and Development (OECD) showed that overall GDP growth in the G-20 area was slightly lower at 0.7 per cent during the January-March period. In the 2014 December quarter, the region had seen an overall expansion of 0.8 per cent.

As the new Government took the charge and adduced its plans for growth and development of the Indian Economy, your Company has also aligned itself with the mission of “ऊर्जा बनाओ, ऊर्जा बचाओ, पैसे कमाओ”

The acquisition of Bharat Accumulators Limited, now named as Urja Batteries Limited was one of the most significant changes during the year. Urja Batteries Limited is now a wholly owned subsidiary of the Company and your Company is taking absolute steps to revive Urja Batteries Limited, owing to it being a sick Company at the time of acquisition.

I am pleased to share your Company performance and our quest for continuous improvement. URJA has always believed in simplicity of thoughts and action plan. We strive to improve constantly and continuously as improvement has no target or threshold. It may be simple yet a powerful tool to achieve the complex tasks and challenging objectives.

This quest for improvement enabled URJA to turnaround Urja Batteries Limited in a difficult environment. We laid clearly our objectives and transparently communicated with all stakeholders including employees, vendors, customers and bankers. It is a continuous process at Urja Batteries Limited and while we have achieved initial success, we recognize that there is much to further achieve and we are focused on the task ahead.

We have approached various state authorities to set up Solar Power Plants and are also on the verge of getting a Hydro Power Projects in the state of Arunachal Pradesh. We are looking forward for their positive response which will in turn lead to wealth maximisation of the company.

Your Company is determined to make optimum utilization of your investments to fetch you the best returns. We have been continuously endeavoring for development of manpower as we believe that human resource is the backbone of any company and so we have made contributions for hiring and retaining the talent.

We would like to express our sincere gratitude to all the directors, employees, for their seamless efforts towards the growth of the Company and a heartfelt appreciation to all the shareholders of the company for bearing confidence in us.

Thank you for your continuous generous support.

Warm Regards
Puneet Mohlay
Chairman
