We managed to provide our Customers high value products and solutions through building our strong foundation in manufacturing and our commitment to Innovation, efficiency, quality and viability of our products, thereby resulting in profitability.

Whilst Surfing the Development Wave, your Company has participated in "3rd Eco-friendly EVEXPO 2016 and added one more product in its kitty i.e. E-Rickshaw. as Urja is dedicated working towards Green Revolution. The product is eco-friendly, economic, easy to drive, combating noise pollution and last but not the least very good opportunity for employment with very less investment. Our philosophy is to become a trusted Green brand and we are continuously working for the same. You would be pleased to know that our innovative products have been warmly accepted by the consumers. We expect a similar growth trajectory in the current year as well. We are focusing on deeper penetration to enhance our distribution footprints.

I am also glad to share that your Company has received approval of Listing of Equity Shares of the Company on **National Stock Exchange of India Limited** during the year. Another feather in the cap of Urja is that your Company has entered into the contract with Bihar Renewable Energy Development Agency (BREDA) for design, supply, distribution and comprehensive maintenance of Solar High Mask Lighting System at all primary health centre in the state of Bihar for five years.

We are riding India's development wave of opportunity and optimism and generating a self-accelerating process of economic development for the ultimate benefit of all our stakeholders.
