DIVIDEND

In view of the accumulated losses, the Directors have not recommended any Dividend for the year ended 31st March, 2005.

OPERATIONS & OVERALL PERFORMANCE

The Steel Industry has seen a steady improvement in demand and prices during the year under review thereby enhancing realizations. The Company managed to put in a improved financial performance during the year with a Turnover of Rs.1517.99 crores as against Rs.862.81 crores in the previous year, showing a rise of 76%.

The improvement in prices and demand in steel market continued in the third year in a row. The industry has been in a position to pass on the increase in input cost to customers which has moved up in a major way throughout the year. The Company, could record better volumes during the year helped by strong demand. In the wake of improved margins and volumes, the Company recorded a cash profit of Rs.159.06 crores compared with Rs.46.75 crores during the preceding year showing an increase of 240%. The Company, after reporting losses during last few years, posted a net profit at Rs.121.35 crores during the year as compared with previous year loss of Rs.4.46 crores after providing depreciation of Rs.109.26 crores (Previous year Rs.109.64 crores).

Debt Restructuring

On the restructuring/settlement of debts with the Financial Institutions and Banks, the Company made reasonable progress. During the year, debt liabilities of over Rs.1078 crores has been restructured which resulted in a reduction of debt of over Rs.258 crores for the Company. This has brought down the debt servicing cost substantially with some of the loans restructured as non interest bearing. The Company has been regular in making payments to its Lenders in accordance with the restructured terms and has paid off Rs.88.93 crores during the year towards past Debt liabilities apart from servicing regular interest on such debt. The Restructuring proposals are under various stages of discussion with remaining lenders.

As per the Debt Restructuring arrangement with IDBI, company has to issue preference shares at par of Rs.234.98 crores against part conversion of debt liabilities. These Preference Shares will be redeemed with a premium of 11.5 % commencing from 2016. The necessary resolution is incorporated in the Notice convening the Annual General Meeting for approval of the members. Your Directors are of the view that the conversion of debt into preference shares is beneficial to the Company as this will strengthen the Network of the company.

Steel Division

The Steel Division during the year under review has reached a turnover of Rs.1471.77 crores as against the previous year figure of Rs.838.65 crores registering a quantum growth of 75%. The Input costs have been rising on a constant basis resulting into increasing cost of production. The steady market helped the Company to pass on these increases. The Export of the division during the year was at Rs.158.49 Crores as against Rs.112.66 crores recorded during the previous year.

Engineering Division

The Division during the year under review has recorded sales of Rs. 46.22 crores as compared to the previous year of Rs. 24.16 crores. The Export of the division during the year was at Rs. 22.04 crores as against Rs. 4.29 crores recorded during the previous year. The increase in sales is due to revival of the industry and successful completion of many jobs. The Division during the year has successfully executed jobs for many reputed PSUs amongst others. The Division has secured good orders for setting up Sponge Iron Plants and has also secured an order for setting up a Pelletization Plant. The Division, continues to support the supply of spares and services to Navy, Coast Guard, Mumbai Port Trust, GRSE and major Oil and Gas sector Companies.

MANAGEMENT DISCUSSION AND ANALYSIS

The core business of the Company is manufacturing and marketing Iron and Steel products and manufacturing capital equipments and turnkey projects. The Management discussions and analysis is given hereunder :-

- Industry structure and development :** Steel industry after going through a turbulent time between 1997 and 2001, has started coming back on its feet on back of strong domestic economic growth and global revival. Similarly the engineering business of the company has also seen a revival.
- Opportunities and threats:** High economic growth and infrastructure development in the country would offer opportunities and the Company would continuously try to remain competitive to take advantage of opportunities coming its way.
- Segment-wise performance:** The Company is mainly in the business of manufacturing Steel and Capital Equipments and Turnkey Projects. The Company has no activity outside India except export of products manufactured in India. Segment wise performance is given at Note No. 17 of Schedule Q i.e. Notes on Accounts.
- Outlook:** The outlook for the steel industry depends on global steel prices which have recently shown some signs of softening after remaining firm throughout the previous year. However strong domestic economic growth and a global revival will give impetus to growth of the industry. For Engineering Industry, the Current year appears to be more encouraging and promising. The division is participating in the tenders of major public sector undertaking amongst various other companies.
- Risk and concerns:** The year under review has been a good one for the Indian steel industry. The Company's market development, order procurement and supply management have been re-engineered and new practices adopted at all levels. Technological obsolescence is an inherent business risk and fast adaptability to change is crucial for survival of business. The Company undertakes continuous modernisation programme to maintain efficient operations.
- Internal control system:** The Company maintains adequate internal control systems, which provide adequate safeguards and proper monitoring of the transactions. The Company has appointed an Internal Auditor who reports to the Managing Director and Audit Committee of

the Board. The Internal Auditor conducts monthly audits to ensure that the Company's control systems are adequately followed and all statutory requirements are complied with.

- g) **Discussion on financial performance with respect to operating performance:** The operating performance of the Company has been discussed in Directors Report under the head 'Financial Highlights and Operations and Overall Performance' in the current year.
- h) **Human resources and industrial relations:** During the year under review the Employee/Industrial relations at all units and job sites remained cordial. Steps are taken continuously by the Company for training its employees in various disciplines. Despite continuing working capital constraints, morale of the employees remained high. Number of employees as on 31st March, 2005 was 1331.
- i) **Cautionary Statement:** The Management Discussions and Analysis describe Company's projections, expectations or predictions and are forward looking statements' within the meaning of applicable laws and regulations. Actual results could differ materially from those expressed or implied. Important factors that could make a difference to the Company's operations include economic conditions affecting demand and supply and price conditions in domestic and international market, changes in Government regulations, tax regimes, economic developments and other related and incidental factors.

RESEARCH AND DEVELOPMENT

The Company undertakes on a continuous basis, various activities such as the development of new products and processes, cost reduction, improvement in quality and productivity and import substitution.
