DIVIDEND

In view of the accumulated losses, the Directors have not recommended any Dividend for the year ended 31st March, 2006.

OPERATIONS & OVERALL PERFORMANCE

During the year under review, the steel prices has seen a steep fall of almost 30% following the fall in International Steel Prices. In the face of rising input costs and falling realisations the performance of the Company was affected adversely. The Company achieved a Turnover of Rs. **1586.48** crores as against Rs.1517.99 crores in the previous year, showing a marginal rise of 5%.

The pressure on prices continued throughout the year coupled with increase in input costs which kept moving up unabated. The area of satisfaction for the Company was, however on productivity front where it could record better volumes during the year. The Company, incurred a net Loss at Rs.63.21 crores during the year as compared with previous year Profit of Rs.121.35 crores after providing depreciation of Rs.109.07 crores (Previous year Rs.109.26 crores).

DEBT RESTRUCTURING

On the restructuring/settlement of debts with the Financial Institutions and Banks, the Company made reasonable progress. During the year, debt liabilities of over Rs.154 crores has been restructured which resulted in a reduction of debt of over Rs.84 crores for the Company bringing down further the debt servicing cost. The Company has paid off Rs.73.21 crores during the year towards past Debt liabilities. The Restructuring proposals are under various stages of discussion with remaining lenders.

During the year, Company has issued Redeemable Preference Shares at par of Rs.234.98 Crores against part conversion of its debt to IDBI as per the approval of Members at the last Annual General Meeting. As per the Debt Restructuring arrangement with IDBI, Company has to further issue preference shares at par of Rs.1.29 crore against part conversion of debt liabilities. These Preference Shares will be redeemed with a premium of

11.5 % commencing from 2016. The necessary resolution is incorporated in the Notice convening the Annual General Meeting for approval of the members. Your Directors are of the view that the conversion of debt into preference shares is beneficial to the Company as this will strengthen the Networth of the Company.

Steel Products

During the year under review, the Steel Products Sales has reached a figure of **Rs.1458.61 crores** as against the previous year figure of Rs.1447.40 crores. With domestic steel industry grappling with a problem of falling realisations, the Company could not pass on constantly rising input cost to its customers, the main reason for poor show of the Company during the year. The Export during the year was at **Rs.127.28 Crores** as against Rs.158.49 crores recorded during the previous year.

During the year, the Company for balancing various product sections, has installed a new slab caster and a new galvanising Line apart from installation of some other equipments with a view to optimise the product mix.

Engineering Products

The Engineering Products, during the year under review has recorded sales at **Rs.127.87 crores** as compared to the previous year of Rs.70.59 crores. The increase in sales is due to revival of the industry and successful completion of many jobs. The Company during the year has successfully executed jobs for Welspun Power & Steel Ltd., GAIL India Ltd; HPCL, Chennai Petroleum Ltd; IOC amongst others. The Company has secured orders from Welspun Stahl Rohren Ltd. for supply of side guards and cooling bed and IOC for supply of Marine Loading Arms. The Company is presently executing a major order for setting up a Pelletization Plant at Orissa. The Company continue to support in supply of spares and services to Navy, Coast Guard, Mumbai Port Trust, GRSE and major Oil and Gas sector companies.

MANAGEMENT DISCUSSION AND ANALYSIS

The core business of the Company is manufacturing and marketing Iron and Steel products and manufacturing capital equipments and turnkey projects. The Management discussions and analysis is given hereunder:-

- Industry structure and development :** Globally, Steel prices started firming up about three years ago and remained strong till 2004. However in 2005, steel prices dipped affecting the steel industry. The Engineering Products of the Company has been approved for its engineering skills/works/services by various premier consulting companies and inspection agencies. The company has further been approved by Industrial Boiler Regulatory Authority. The development of engineering industry depends on the development of core sectors.
- Opportunities and threats:** High economic growth and infrastructure development in the country would offer opportunities and the Company would continuously try to remain competitive to take advantage of opportunities coming its way. For Engineering Products Company has entered into Tie up arrangements and Teaming Agreements with various Foreign Entities for manufacturing and supply of Critical Spares and Systems in India.
- Segment-wise performance:** The Company is mainly in the business of manufacturing Steel and Capital Equipments and Turnkey Projects. The Company has no activity outside India except export of steel products manufactured in India. Segment wise performance is given at Note No.17 of Schedule Q i.e. Notes on Accounts.
- Outlook:** The outlook for the steel industry depends on global steel prices which have recently shown some signs of improvement after remaining dull throughout the previous year. A strong domestic economic growth and a global revival will give impetus to growth of the industry. For Engineering Industry, the Current year appears to be more encouraging and promising. The Company is participating in the tenders of major public sector undertaking amongst various other companies.
- Risk and concerns:** The year under review has been a lack lustre one for the Indian steel industry. The Company's market development, order procurement and supply management have been re-engineered and new practices adopted at all levels. Technological obsolescence is an inherent business risk and fast adaptability to change is crucial

for survival of business. The Company undertakes continuous modernisation programme to maintain efficient operations.

- f) **Internal control system:** The Company maintains adequate internal control systems, which provide adequate safeguards and proper monitoring of the transactions. The Company has appointed an Internal Auditor who reports to the Managing Director and Audit Committee of the Board. The Internal Auditor conducts monthly audits to ensure that the Company's control systems are adequately followed and all statutory requirements are complied with.
- g) **Discussion on financial performance with respect to operating performance:** The operating performance of the Company has been discussed in Directors Report under the head 'Financial Highlights and Operations and Overall Performance' in the current year.
- h) **Human resources and industrial relations:** During the year under review the Employee/Industrial relations at all units and job sites remained cordial. Steps were taken continuously by the Company for training its employees in various disciplines. Despite continuing working capital constraints, morale of the employees remained high. Number of employees as on 31st March, 2006 was 1305.
- i) **Cautionary Statement:** The Management Discussions and Analysis describe Company's projections, expectations or predictions and are forward looking statements' within the meaning of applicable laws and regulations. Actual results could differ materially from those expressed or implied. Important factors that could make a difference to the Company's operations include economic conditions affecting demand and supply and price conditions in domestic and international market, changes in Government regulations, tax regimes, economic developments and other related and incidental factors.
