FOCUSSING ON THE NEXT REAL BHARAT

There is a significant transformation underway in India's retail sector. Consumers are turning increasingly to omnichannel engagements with retailers. As a result, online modes are beginning to coexist with brick-and-mortar stores in driving off take. Suddenly, it is not offline or online; the new order of the day is offline and online.

V2 Retail is not only well prepared to embrace the new but is also taking the lead in the transformation of the Indian value retailing landscape

V2 Retail has been refining its positioning as the most loved shopping destination for the young Indian family.

We are offering a choice that addresses the aspirational needs of Bharat's consumers.

Our focus continues to accelerate our universe of Private brands.

V2 Retail is shifting the needle from quality products to holistically superior experiences.

V2 Retail is attractively positioned to capitalise on the omni-channel opportunity.

Deliver long-term value to its customers, employees and the society, and reward its shareholders.

We believe in being agile. Our performance is reflection of our agility to embrace the changing trends and as well as innovate at V2 Retail.

Consumers V2 Retail addressed the growing needs of the 'neo middle-class' and 'middle-class' population segments, marked by rising incomes, aspirations and spending. The Company is respected as a price-leader with an average selling price of $\overline{\mathbf{x}}$ 279 and average bill value per customer of $\overline{\mathbf{x}}$ 743.	Sighting the new normal V2 Retail strengthen its Omni- channel capabilities and improved its cost efficiency. The Company had also launched its e-commerce portal V2 Kart (www.v2kart.com) during the lockdown.
Debt Free Most retail companies grew their business through a combination of debt and accruals. V2 Retail retained its Net Cash Positive status and grew its business through net worth alone.	Cost Control We have also initiated a number of measures to keep our fixed cost under control like rental renegotiations, engaging with suppliers, control over variable cost.
Semi-urban and rural Most retail chains focused on developed markets with presence of organised retail. V2 Retail focused on the taking organised retail to the real Bharat - semi-urban and Tier 2 / 3 cities instead	Technology driven Most retail chain invested in technologies as a back end tool for record keeping and storage. V2 Retail leverage technology to deliver superior consumer experience and enabling efficient operation management.
Focus on private label Most retail chains focused on a trading operation – outsourcing and retailing. V2 Retail focused on enhancing the brand recall value by marketing proprietary labels alongside increasing consumer overall shopping experience.	One-stop destination The Company's product range addresses the fashion aspirations of Bharat. The fashion desires of young and the old Bharat, the 'neo middle- class' and 'middle-class' Families.
