Message from CEO

Today almost all the biopharmaceutical companies have recognised that the research and development cost has been rising exponentially while the productivity of this work measured by the number of new drugs approved each year has remained low. To resolve this problem, most of the companies have taken major initiatives, including changing their R&D strategies and focuses.

On the positive side, the industry is currently focusing on proof-of-concept study, development and incorporation of biomarkers into early stage R&D, and development of biologic drugs including biosimilars. The research in these areas is expected to lead to strong demands for preclinical development service in the foreseeable future.

In this context, a financial year as the one gone by, asserts the confidence on solid investments made by the company, which shall now form the bulwark of long term stable revenue momentum.

Specifically, I congratulate you and the entire Vivo family on achieving the GLP certification making us at par with all International accredited preclinical laboratories with respect to Good Lab Practices. GLP accreditation is recognized across OECD countries as a testament of highest quality of lab processes, internationally accepted results and interoperability of international lab protocols. Considering the handful list of GLP accredited labs in India, this accreditation significantly opens doors in the western market for seeking Contract research opportunities.

The fact that efforts toward this started 4 years back, this accreditation attests the focused and consistent effort made by the team over the past few years. That the company also saw multiple successful audits and visits from customers, regulators and partners, including the renewal of our AAALAC accreditation, attests the highest quality standards maintained by the preclinical laboratory.

The consistent growth over the past year, moves the purpose bred laboratory animal supply business from an entrepreneurial high investment high risk business to a stable, growing and predictable source of steady cash flows. The major investments made in building and maintaining the largest lab animal house in the country have now truly started generating organic cash as witnessed over the past 12 months. That we could win over 50 customers in 12 months, constituting over 60% of the customer share, shows the strong promise of the business and undeniable leadership position offered in this field.

The cell line development and associated drug discovery activities have also seen significant momentum with continued support from Govt. of India agencies namely SBIRI which have supported the projects through funding as well as technical oversight. Vivo Bio Tech signed up technical partnerships with reputed international Biosimilar companies like Biosidus, Argentina and Vascene, USA to strengthen the development and roll out of low cost high quality Biosimilar drugs.

Outlook FY2016

As in the past, we take this opportunity to reiterate our faith on our investments and strengthen our commitment to develop further cash generating projects to create long term value for all the stakeholders. Like in any business, the changing market as well as the rapid innovation cycle presents its own challenges to win in the market. Vivo Bio Tech company has a strong portfolio of market facing services built on highest quality standards to compete and win consistently on the global scale.

With additional preclinical services and high acceptance of specific pathogen laboratory rodents across the Indian market, we are confident of achieving significant revenue growth on back of long term sustainable technological advantage.

I personally thank our bankers, our shareholders and our employees for their continued trust and consistent confidence in Vivo Bio Tech

Dr. A. Sankaranarayanan, Ph.D., F.C.P.
Chief Executive Officer & Whole Time Director

NOTICE

NOTICE is hereby given that the 29th Annual General Meeting of the Members of the Company will be held on Friday, the 30th day of September, 2016, at 1.00 PM at Padmashali Kalyana Mandapam, 2-12-66, Nehru Nagar, West Marredpally, Secunderabad - 500026 to transact the following business:
