Add: Profit/(Loss) brought forward from Previous Year	-884.61	-80.18
Balance carried forward	-884.82	-884.61

DIVIDEND

As the Company was in not in any business during the year and due to carried forward losses, the Company do not recommends any dividend during the year under review.

PERFORMANCE & CURRENT YEAR PROSPECTS

As there were no business activities during the year under review, it is difficult to comment on the topic of current years' business performance of the Company. However the Company is trying hard to bring some capital by way of various modes which are allowed by SEBI and then to enter into the business of land development and building construction.

BUSINESS SEGMENT

The Company was in no business during the year under review apart from some investing activities in shares and securities and thus unable to comment exactly on the topic.

RISK & CONCERNS

In current scenario the Company is not in any business and hence there is no question of Risk and concerns in its line of business. However the Company is looking various aspects to invest its money, if the same is being recovered and your Company is hopeful to be succeeded. Though, if the Company fails to recover its money, the Company is having fear that they will not be able to deliver anything to its shareholders.

OVERVIEW OF FINANCIAL AND BUSINESS PERFORMANCE

During financial year 2010-11, there were almost nil business activities apart from doing investment activities in shares and securities.

Currently, your Company is in the business of cement manufacturing. The PBT of the Company stood at ₹ 21 Lac which is not as per expectation of Company management. The Company is trying hard to bring some more fund or capital in order to enter into the new business activities which has been identified by the management.

RISK MANAGEMENT & CONCERNS

The objective of risk management is to balance the trade-off between risk and returns and ensure optimum risk adjusted return on capital. It entails the identification, measurement and management of risks across the various businesses of the Company. Risk is managed through a framework of policies and principles

approved by the Board of Directors and supported by an Independent risk function that ensures that the Company operates within its risk appetite. The risk management function attempts to anticipate vulnerabilities at the transaction level or at the portfolio level, as appropriate, through quantitative or qualitative examination of the embedded risks. The Company continues to focus on refining and improving its risk management systems. In addition to ensuring compliance with regulatory requirements, the Company had developed internal systems for assessing capital requirements keeping in view the business objectives.

The Company has identified main risks viz. Credit Risk, Market Risk, Liquidity Risk and Operational Risk for its business, which needs to be addressed at this point of time.

The Company has framed the appropriate business policies to tackle the challenges of above risks and is continually reviewing and modifying these policies in order to face the challenges and come out with the help of Company's business policies.

INTERNAL CONTROL SYSTEMS AND ADEQUACY

VCCL has developed adequate Internal Control Systems in place to ensure a smooth functioning of its business. The Control System provides a reasonable assurance of recording the transactions of its operations in all material aspects and of providing protection against misuse or loss of Company's assets.

The ICS and their adequacy are frequently reviewed and improved and are documented.

MATERIAL DEVELOPMENT IN HUMAN RESOURCES

The Company was having staff strength of 3 people during the year under review however the Company is recruiting more experienced employees during financial year 2010-11. Once the process of new recruitment will be over, the Company will be able to comment on this.

PUBLIC DEPOSITS

During the year under review, your Company has not accepted any deposits from the public within the meaning of section 58A of the Companies Act 1956 and the rules there under.

CAUTIONARY STATEMENT

Statements in the Management Discussions and Analysis describing the Company's objectives, projections, estimates, expectations may be forward looking statements. Actual results may differ materially from those expressed or implied. Important factors that could make a difference to the Company's performance include economic conditions affecting demand / supply and price conditions in the domestic and overseas markets in which the Company operates, changes in the Government Regulations, tax laws, statues and other incidental factors.

MANAGEMENT

There is no Change in Management of the Company during the year under review.

DIRECTORS

There is no change in management during the year under review.

During the year, Mr. Manoj Jaiswal, Mr. Hitesh Jaiswal and Mr. Jairaj Jaiswal have resigned in the month of January 2011.

INFORMATION TECHNOLOGY

The Company aims to maintain a scalable computing infrastructure that delivers efficient and seamless services across multiple channels for customer convenience. In order to retain competitive edge, technology infrastructure has been implemented wherever necessary, in alignment with business requirements.

COMPLIANCE

The Compliance function of the Company is responsible for independently ensuring that operating and business units comply with regulatory and internal guidelines. The Compliance Department of the Company is continued to play a pivotal role in ensuring implementation of compliance functions in accordance with the directives issued by regulators, the Company's Board of Directors and the Company's Compliance Policy. The Audit Committee of the Board reviews the performance of the Compliance Department and the status of compliance with regulatory/internal guidelines on a periodic basis.

New Instructions/guidelines issued by the regulatory authorities were disseminated across the Company to ensure that the business and functional units operate within the boundaries set by regulators and that compliance risks are suitably monitored and mitigated in course of their activities and processes. New products and process launched during the year were subjected to scrutiny from the Compliance Standpoint and proposals of financial services were screened from risk control prospective.

HUMAN RESOURCES

The Company recognizes that its success is deeply embedded in the success of its human capital. During 2010-11, the Company continued to strengthen its HR processes in line with its objective of creating an inspired workforce. The employee engagement initiatives included placing greater emphasis on learning and development, launching leadership development programme, introducing internal communication, providing opportunities to staff to seek inspirational roles through internal job postings, streamlining the Performance Management System, making the compensation structure more competitive and streamlining the performance-link rewards and incentives.

The Company believes that learning is an ongoing process. Towards this end, the Company has built a training infrastructure which seeks to upgrade skill levels across grades and functions through a combination of in-house and external programme.
