Engineers & Contractors

Annual Report 2001-2002

THE COMPANY

Valecha Engineering Limited is a professionally run Infrastructure specialist having an average of 22.39% growth in the last 5 years and having a return on the Capital employed of 20.10% and impeccable track record of profit earning and consistent Dividend payout, employing the State of Art Plant in Construction Industry to Progress ahead. What was started as an almost family concern has blossomed today into a professionally run high-tech, quality conscious and reliable construction firm helping the nation build assets for the nation and its people. It ranks as a force to be reckoned with the best known construction firms in the country.

THE PEOPLE

The secret of the rapid and sustained success of Valecha Engineering Limited lies in the judicious mixture of the virtues of a family concern ensuring honesty, hard work, reliability, informality and mutual affection with the virtues of a professionally managed concern promising discipline, pragmatic and practical outlook, equal opportunities to all for progress and a reward for efficiency and performance, Valecha Engineering has achieved this unique mix where the professionals consider themselves as members of a large family and the scions of the family rely on academic qualification and experience gained in hard and demanding school of life.

The core team of VEL comprises of 8 General Managers, 12 Project Managers, 20 Sr. Engineers and 30 Middle level and junior engineers supported by head office team. Together they constitute a complementary team comprising persons with long experience and young qualified go-getters with high aspirations and energies.

PLANT AND MACHINERY

The Construction Industry has witnessed a sea change in the methods of construction over the last decade. Gone are the days of huge armies of labourers augmented by a rudimentary fleet of mechanical equipment toiling for long periods to achieve even a modest target. Today's construction demands a well trained labour force, backed by a state of the art fleet of mechanized equipment, capable of turning out a high quality product at fast pace. Valecha Engineering has foreseen this development and invested heavily in State of the art high tech powerful machines demanded by the modern times. We already have machinery like large (300T per Hr) Capacity Mobile Crushers, Asphalt Batch mix plant, Hydraulic Rotary Piling RIGS, Concrete Pavers, WMM Plants, Vibratory Rollers, Excavators, Mobile Cranes, etc. With the above equipment Valecha Engineering Limited would be able to prequalify successfully for HIGHWAY and BRIDGES opportunities ahead.

THE PROJECTS

Valecha Engineering Limited has over the years carved out a niche for itself as specialists in the construction of infrastructure development projects in different fields such as highways, bridges, flyovers, tunnels, irrigation and water supply, dams, canals, water supply schemes, storage reservoirs and so on. Apart from infrastructure projects, they have also diversified into real estate and foundation engineering.

Successfully completed projects are a show case for any engineering company. Our show case is replete with a plethora of prestigious projects – The Kasheli Tunnel for Mumbai's water supply, the Ghatkopar tunnel for sewage disposal, the tail race tunnel for the Pench Hydroelectric Power project, Bridges and tunnels for the Konkan Railway project, flyover bridge at Borivali in Mumbai, Dimapur Airport in Nagaland to name a few. Recently the Company has been awarded a large Prestigious Expressway Contract of 4 Laning of Satara Kolhapur and execution of NHAI 4 Laning Expressway Contract in Assam, Guwahati is progressing fast.

THE SHAREHOLDERS

Valecha Engineering Ltd. has always worked to ensure that the wealth of their shareholders is continuously increasing. Our shares are quoted and traded on the bourse of The Stock exchange, Mumbai and OTC Exchange of India. Although their values have fluctuated in tandem with the mood of the share market, their value has not eroded to any alarming extent even during the toughest period of the last few years in comparison to the other corporate entities. We have rewarded our investors with adequate dividends without a break from the very first year of incorporation. The shares are

available in the demat form with the C.D.S.L., and the N.S.D.L. Our shareholders are generally a satisfied lot which is evident from the fact that there is not a single complaint lodged against the company with the SEBI.
