OPERATIONS

Your directors are pleased to inform you that during the year under review, your company has achieved gross turnover of Rs. 32069.75 lacs, against previous year income of Rs. 31527.14 lacs. This has resulted in a higher gross profit of Rs. 1352.58 lacs as compared to Rs. 1068.51 lacs of previous year. After providing for interest of Rs. 361.04 lacs (Rs. 168.20 lacs) and depreciation of Rs. 303.27 lacs (Rs. 353.20 lacs), the profit before tax is placed at Rs. 688.27 lacs (Rs. 547.11 lacs) thus recording a growth of about 26%. After providing for taxation of Rs. 232.12 lacs (Rs.238.00 lacs), net profit after tax is Rs. 456.15 lacs as compared to Rs. 309.11 lacs of previous year, thus registring a sharp jump of over 47%. This has been made possible due to optimum utilisation of resources, better product mix, better sales realisation and effective cost control.

EXPORTS

We are pleased to inform you that during the year under review the Company continued to export its products in various countries such as Ghana, Dubai, Ethopia, Kuwait, Maruitius, Sri Lanka and West Indies etc. However, due to wide fluctuation in prices and stiff competition, the exports were lower at Rs. 1014.45 Lacs as compared to Rs. 1286.85 Lacs in previous year.

The company has been able to make major dent in new export markets despite stiff competition and the management is quite hopeful that in future it will be able to achieve better Exports turnover.

BACKWARD INTEGRATION PROJECT

We are happy to inform you that company's backward intregation project for the manufacture of sponge iron with a capacity of 350 Tons per day in the State of Jharkhand has already started trial runs and commercial production soon thereafter. The performance of this unit will be reflected in current year's working.

PROCEEDS OF PREFERENTIAL ISSUE

During the year 2003-04 the Company issued and alloted 16,50,000 Equity Shares of Rs. 10/- each at a Price of Rs. 10.34 per share of the value of Rs. 1,70,61,000/- on Preferential basis to the Promoters and persons acting in concert (after taking necessary permissions from SEBI and Stock Exchange). The proceeds of this Preferential issue have been utilised for meeting a part of the project cost related to Company's Sponge Iron Project set up in the State of jharkhand as per the object of issue stated in the Explanatory Statement to the notice calling the Extra Ordinary General Meeting to approve issue of Shares on Preferential basis.

DIVIDEND

With a view to conserve resources for immediate future requirements, your directors have not recommended any dividend for the year under consideration. However, dividend at the fixed rate of 11% is recommended for payment on Preference Share Capital.

LISTING OF SHARES

The Equity Shares of the Company are listed at Bombay Stock Exchange Limited, Phiroze Jeejeebhoy Towers, Dalal Street, Mumbai. The company has duly paid the listing fee to Bombay Stock Exchange Limited, Mumbai upto the Financial Year 2006-07.

ANNEXURE - I TO THE DIRECTORS REPORT CORPORATE GOVERNANCE REPORT

I. MANAGEMENT DISCUSSION AND ANALYSIS REPORT

I. MANAGEMENT DISCUSSION AND ANALYSIS

(a) Industry Structure and Development:

Your Company is mainly engaged in the manufacturing and marketing of Steel Pipes and Cold Rolled Steel Strips & Coils and Sponge Iron which fall within the single segment of "Iron & Steel Industry."

The steel & strips industry as a whole has staged a major turnaround on the back of improved demand from User sector and firming up of prices during the last over two years. The Indian Iron & Steel Industry witnessed increase in Exports apart from increase in domestic consumption during the year 2005-06.

(b) Company's Performance:

Your Company has performed remarkably well during the period under review in line with encouraging market scenario particularly in the Steel Industry in the financial year 2005-06.

The Gross turnover during the year 2005-06 has increased to Rs. 32069.75 lacs as against Rs. 31527.14 lacs in the previous year. The net profit after tax is placed at Rs. 456.15 lacs as compared to Rs. 309.11 lacs during the previous year. Your company is encouraged with this success particularly of its strategy of taking its products to new markets.

(c) Dividend:

Your directors are constrained not to recommend any dividend on equity shares for the period under review for conserving resources to strengthen the financials of the company for its immediate requirements.

(d) Outlook: Opportunity, Threats, Risks & Concerns:

The Iron & Steel industry as a whole continues to witness buoyant trends. The overall increase in production capacity of the company, implementation of sponge Iron Project, diversified product mix, expected economies of scale, highly responsive market conditions give the management surety for having optimistic outlook for substantial growth in the operating performance of your company in near future.

Your directors perceive following factors which may pose threat, risk & concern for the Iron & Steel Industry in general and your company in particular:

- 1. Any adverse conditions of User Sector to which it caters. Thus adversely affecting the demand.
- Quantitative restrictions and/or additional tariffs of exports from India by importing countries.
- Cheap imports to India may exert pressure on domestic demand and prices.
- 4. Unpredictable and sharp cyclical movements in the raw material and other input prices.

The opportunities of growth for your company as detailed below are manifold in view of its Strengths which may also counter the above concerns:-

- 1. Buoyant trends are continuing in User sector and it is expected that such trends will persist in the times ahead. Your company by virtue of quality and market oriented specification of its products have posted profitable operations during the most trying times in the past. As such current buoyant conditions are paving way for major strides towards improved performance in future.
- The company's production capacity entails less outgo for servicing interest payments and repayments of principals vis-a-vis its returns thus, improving cash flows of the company.
- Well established customers base for the last over 25 years.
- 4. Your company's recently adopted strategy of taking its products to new markets in India and abroad has been a resounding success. Encouraging feedback from new customers gives optimism of momentum for its growth.

- Your Company is fully poised to reap the benefits of economies of scale and it will be in a better position to negotiate raw material prices on long term bulk lifting basis & definite savings on overheads will bring down the cost per unit of production and lead to higher profitability
- Your Company has strategic advantage as its units are located in the industry friendly areas having all infrastructural amenities.
- The recentaly commissioned unit of Sponge Iron in the state of Jharkhand is expected to contribute significantally to the performance of the company.

Thus, your company stands in good stead to avail of the opportunities and also to take head on successfully the areas posing risks, concerns and threats to it.

(e) Internal Control system and their adequacy:

Your company has adequate internal control systems commensurate with its size and nature of business to ensure efficient utilisation and protection of assets, compliance with statutes and proper recording of all transactions.

In addition, the company has engaged M/s Gupta Sanjeev & Co., Chartered Accountants as external independent agency to conduct internal audit of the affairs of your company.

The company has also an Audit Committee constituted pursuant to the provisions of Listing Agreement which reviews internal control system of the company from time to time besides looking into other areas in its scope.

(f) Risk Management:

The company is exposed to various normal business risks such as risks from market fluctuations of foreign exchange, interest rates, prices of raw materials and finished goods and natural vagaries.

Business risk evaluation and management is an ongoing process within the Company. During the year under review, a detailed exercise on "Risk Assessement and Management" was carried out covering the entire gamut of business operations and the Board was informed of the same.

(g) Cautionary Statement:

Statement in this Management Discussion and Analysis describing the company's objectives, projections, estimates, expectations or predictions, may be "forward looking statements" within the meaning of applicable securities laws and regulations. Actual results could differ materially from those expressed or implied.

2. COMPANY'S PHILOSOPHY ON CODE OF CORPORATE GOVERNANCE:

Your company is committed to the attainment of highest level of transparency, integrity, accountability and equity in all dealings with shareholders, employees, lenders, government and other business constituents in all dealings in pursuit of its overall organisational goals.

In pursuance of the above, the Board of directors has constituted committees to implement its policies and guidelines and has set up adequate review systems for exercising effective management control and ensuring compliance of laws. There is adequate representation of independent directors on the Board. We believe in timely and transparent disclosure of information.

Our focus on sustainable growth, productivity improvement, commitment to quality, self-discipline, value of time, safety in operations and total customers satisfaction is unrelenting. The company will continue its efforts towards raising the standards in Corporate Governance and will also review its systems and procedures constantly in pace with the changing economic environment from time to time as it feels that the Corporate Governance should be need based and is not seen only as an issue of compliance dictated by statutory requirements.

3. BOARD OF DIRECTORS:

(a) Board Meetings:

During the financial year 2005-06, eleven Board meetings were held on 04.04.2005, 03.06.2005, 18.06.2005, 29.06.2005, 30.07.2005, 04.10.2005, 28.10.2005, 30.11.2005, 19.12.2005, 31.01.2006 and 31.03.2006.
