Item No. 6

With the introduction of Depositories Act 1996 and Depository System, some of the provisions of the Companies Act 1956 in relation to the issue, holding, transfer and transmission of shares, debentures and other securities have been amended to facilitate the implementation of the new system. The Depository System is safe and convenient method to hold the trade in the securities of the Company. The system will eliminate several problems experienced in the scrip based system such as bad deliveries, fraudulent transfers and transmission, theft in postal transit, time taken in registration of transfer, maintenance of Share Certificate etc. The system also offers several cost advantages such as no postage expenses, exemption from stamp duty on transfers etc. Your Company has already initiated steps to introduce depository system in the Company.

It is proposed to amend the Articles of Association of the Company suitably incorporating therein necessary provisions relating to the implementation of the Depository System in conformity with the Depositories Act 1996 and the Companies Act 1956 as amended from time to time. Opportunity is also being availed to make certain other alterations in the Articles of Association to bring it in conformity with the provisions of the Companies Act 1956 and Depositories Act 1996 respectively.

The Resolutions are accordingly recommended for approval of the Members by means of Special Resolutions as required under Section 31 of the Companies Act 1956.

None of the Directors of the Company is deemed to be concerned or interested in the said Resolutions.

Copy of the Memorandum and Articles of association of the Company together with the proposed alterations shall be open for inspection of the shareholders at the Company's Registered Office on any working day upto and inclusive of the date of the Annual General Meeting between 3.00 PM to 5.00 PM.

Item No. 7

Consequent to the resignation of Shri S.P. Chadha from the office of the Joint Managing Director it is felt necessary and expedient that an experienced person should step into the shoes of Mr. S. P. Chadha and should take care of the operations carried out in the factory. Shri B. P. Saxena has been working as President (Operations) of the Company and was looking after the production operations of the entire plant successfully.

Your Directors in their Board Meeting had decided to elevate him to the position of Whole Time Director for a period of five years commencing from 29/10/1999 in the interest of the Company.

Your approval is now sought to approve appointment and remuneration of Mr. B. P. Saxena in compliance with Schedule XIII of the Companies Act, 1956.

Except Mr. B. P. Saxena himself, no other Director is deemed to be interested in the resolution.

OPERATIONS

Although the company has achieved a higher turnover of Rs. 6321.55 lacs during the financial year 1999-2000 as compared to the turnover of Rs. 5591.00 lacs during the financial year 1998-99, which is 13.06% increase over the previous financial year. However, the company has suffered loss of Rs. 592.87 lacs for the financial year 1999-2000 as compared to profit of Rs. 171.50 lacs for the financial year 1998-99. The loss is primarily due to a major fire in one of the processing machine in March, 1999 disrupting the production. Although the production remained disrupted for about 2 months but the company lost some precious order and the company has to make distress sale in domestic & export market resulting in lower value realisation of Rs. 305 per kg. as compared to Rs. 320 per kg. in the last financial year. The overall recession in the current Indian scenario and high provisions for interest and depreciation has also affected the company's operation adversely.

However, during the first three months of the current financial year 2000-2001, the value realisation per kg has improved substantially to Rs. 332/- per kg. With this, we hope to make a turnaround during the current financial year 2000-2001.

Company's different varieties of towels namely bath, beach, hand and face towels have been exported to the countries of Europe, United States, Australia, New Zealand, Japan, South Africa and Middle East.

Company's product has also established a niche in the domestic market and is available in almost every premium showroom under the brand name of "FEATHER TOUCH".

DIVIDEND

Your directors are unable to recommend any dividend for the year ended 31st March 2000 in view of the losses during the year 1999-2000.

EXPANSION

The Company has undertaken the expansion scheme for increasing the capacity from 1140 TPA of Terry Towels to 2700 TPA of Terry Towels. The company was going to commence commercial production on full capacity but unfortunately there was a fire in one of the processing plants which disrupted the entire ongoing expansion in full swing. However, the production has commenced on full capacity w.e.f. 1/2/2000.

FUTURE PROSPECTS

With the growing demand in the developed countries and emerging new markets in the rapidly industrialising developing countries, attractive prospects have crystallised for value added finished products like sheared towels, bath robes, hand gloves etc and significant results have also been achieved in exploring these new markets and obtaining orders on long term basis from leading department chain stores and companies in U.S.A., U.K, Middle East, etc. The products of the company enjoys a strong brand name due to better quality.

With the support of the Government as has been recently extended towards the Textile Sector and especially 100% EOUs, the Company expects to achieve improved results this year following the successful implementation of its expansion project.

FIXED DEPOSITS

During the year under review, your company has not accepted any fixed deposit within the meaning of Section 58A of the Companies Act, 1956 and the rules made thereto.

Y2K COMPLIANCE

Your company has taken all the necessary steps to make all its computer systems Y2K compliant. The cost involved to make such systems Y2K compliant do not have much impact on the financial position of the company.
