Profit available for appropriations	1001.82	1161.09
Transfer to General Reserve	—	200.00
Balance carried to Balance Sheet	1001.82	961.09

OPERATIONS

During the year, the Company, due to falling prices in the international market, increase in the price of yarn (the Company's major raw material) and major rise in the prices of petro-based products, has managed to earn a marginal net profit of Rs. 40.73 Lacs only. The turnover has decreased from Rs. 12162.64 lacs in the financial year 2005-2006 to Rs. 10477.94 lacs during the current financial year 2006-2007, which is 13.85 % less than the previous financial year. The company has earned a gross profit of Rs. 1220.05 lacs for the Year 2006-2007, which is less by Rs. 313.46 lacs as against a gross profit of Rs.1533.51 Lacs in the year 2005-2006.

Company's different varieties of towels namely bath, beach, hand and face towels have been exported to Europe, United States, Australia, New Zealand, Japan, South Africa and other countries.

DIVIDEND

Your directors are unable to recommend any dividend for the year ended 31st March 2007.

FUTURE PROSPECTS

The long-term outlook for terry towel is encouraging. The Company continued its emphasis on technology upgradation, modernization, product and market development. Its quality is well established and accepted in the international market.

Now, the Company is focussing on value added products such as embroidered terry towels, micro-cotton towels, tufted towels etc. which is fetching higher price realisation. The Company has implemented expansion projects involving an expenditure of approximately 44 crores which has been financed by way of Term Loans of 33.50 crores from IDBI, Oriental Bank of Commerce and Federal Bank under TUF scheme. During this expansion, 24 looms generating an additional capacity of 2314 MT have been installed and commercial production on these looms has commenced in phases. The devaluation of US Dollar against rupee by almost 12% in the last 3-4 months has been a serious concern for the entire exporters community. However, the Govt. of India has also shown its concern and has come out with certain benefits for the exporters by way of concessions in interest rates and increase in DEPB/Duty Drawback rates which will ease out the operations to some extent. The company is also planning to debond the unit to get better export incentives as compared to the benefits available under EOU Scheme. The Company's increased capacity and product diversification shall result in improving the bottom line and it is hoped that barring unforeseen circumstances the Company will perform better during the Current Financial year.

FIXED DEPOSITS

During the year under review, your company has not accepted any fixed deposit within the meaning of Section 58A of the Companies Act, 1956 and the rules made thereto.

LISTING

The equity shares of your company are currently listed on Mumbai Stock Exchange. The listing fee for the year 2007-2008 has been paid to the Mumbai Stock Exchanges. The Company has made its endeavor to comply with all its mandatory and non-mandatory requirements.

INDUSTRIAL RELATIONS

Cordial and harmonious industrial relations prevailed throughout the year, which contributed towards good performance in all the areas of the business of the Company.
