Message from whole time Director

Dear Shareholders,

On behalf of Vaswani Industries Limited, I extend my warmest greetings to you. I hope you and your family are safe and in good health. I am pleased to present to you the Company's Annual Report for the financial year ended 31st March 2022 ("FY 2021-22")

In 2022 your nation is going to complete its 75 years of journey as an independent and progressive nation. Modern India is an epitome of Scientific and Technological Development and is one of the key elements for economic growth. To boost the Indian manufacturing sector our Government has taken multiple steps including production linked incentive schemes and made commitment of investments worth Rs. 100 Lakh Crore in infrastructure sectors. Steel industry can play an integral role in steering India towards a \$5 trillion economy by 2025, as per the EY-CII report titled 'Steering India into a US\$5 trillion economy with Steel'. The Indian steel sector has a bright future with expected growth rate of 5% y-o-y.

We invest in the country's future, and are growing hand in hand with India. The financial year gone by was a mixed bag, with most major economies rebounding from the negative effects of COVID-19. However, commodity price volatility, soaring energy prices, lingering supply chain challenges and geopolitical conflicts have made the recovery increasingly fragile. Although global growth expectations have moderated recently, the structural demand drivers for commodities like steel remain intact.

As I conclude, I'd like to express my heartfelt appreciation to our employees for their unwavering dedication and commitment towards the organisation. I would also like to thank all our stakeholders for their continued trust and support.

With warm Regards

Yashwant Vaswani
Whole Time Director
