**BUSINESS ENVIRONMENT AND FUTURE GROWTH :**

The basic strength of Velan as a whole is in its sustained upkeep of the property, planned upgradation of facilities, top grade continuance of customer service, top quality food and beverage service. The hotels at Tirupur and Coonoor enjoy the patronage of repeat national/international business class visitors and tourists and the list continues to grow.

The opportunities are substantial. Threats are of course are in the form of new competition, the pressure on expenses due to the very high level of inflation and the pressure on general business due to the crisis in the garments to which the Tirupur is totally linked into. However your hotel has the advantage in attracting and retaining good business through setting up highly principled level of working standards with a competitive pricing rooms in view of its entry level advantage.
