None of the Directors other than Mr. Abhijit Rao and Mr. P. M. Rao, may be deemed to be concerned or interested in the proposed resolution.

ITEM NO 6 & 7

The Company is a Public Limited Company incorporated in the year 1970. Its existing authorized share capital is Rs. 50,00,00,000/- (Rupees Fifty crores only) and issued and paid up share capital is of Rs. 34,70,54,260/- (Rupees Thirty Four Crores Seventy Lacs Fifty Four Thousand Two Hundred and Sixty only).

The Company's equity shares are listed on the Bombay Stock Exchange Limited and the Regional Stock Exchange viz Delhi Stock Exchange & Coimbatore Stock Exchange Ltd.

The Company began with the manufacture of laminated paper containers for the defence equipment. In the year 1993, the Company ventured into manufacture and export of quality cotton grey fabrics. Encouraged with the initial performance in the years 1995 and 1996, the Company went in for further expansion and backward integration. Soon after the completion of the project, the turmoil in the South East Asian Economy adversely affected the Company's export. The operations suffered year after year due to lack of demand for Grey Textiles. The continued cash losses had almost brought down the operations to a stand still. The accumulated losses of the Company exceeded its net worth at the end of the financial period 30th June, 2002 and as a result the Company is declared as a sick industrial company in terms of Section 3(1)(o) of The Sick Industrial Companies (Special Provisions) Act, 1985 at the hearing held on 24th July, 2003.

The present promoters led by Mr. P.M. Rao and his Associates, took over the control and management of the Company. IDBI and SBI the financiers to the company granted a restructuring package under the CDR mechanism. However, the Company had a huge debt of Rs. 548.7 million. The Company on 11th October 2005 settled its total liabilities of SASF (IDBI) by way of One Time Settlement (OTS). The Company raised the required funds for OTS by issue of Equity Shares and Optionally Fully Convertible Debentures to Reliance Capital Ltd.

Despite Settlement with SASF & IDBI, the Company incurred loss of Rs. 10.82 million before tax as compared to Rs. 8.52 million in the previous year. This is mainly because of multiple outsourced activities involving high logistics costs and operational losses. The Company therefore proposed certain modifications in its spinning, expansion in weaving and also processing as a forward integration. With this expansion, all the manufacturing activities of the Company will be fully integrated under one roof to optimize profit.

The proposed expansion requires equity funding in addition to debt financing. In order to mobilize the required funds, it is prudent to confer a realistic picture of the Company's Balance Sheet by adjusting the relation between capital and assets. The Company has evaluated the effect of the above and decided to write off 75% of the existing Equity Share Capital and Reserves & Surplus against the accumulated losses of the Company. The resultant effect will be as under:

(a) Resulting Share Capital

Particulars	Amt (in Rs.)
Share Capital of Face Value Re 1/- each as on date	34,70,54,260
Accumulated losses as on 31 st March, 2006	43,69,28,350
Write Off 75% of Capital on F V of shares (rounded off)	26,02,90,690
Resulting Capital	8,67,63,570

The paid-up share capital of the Company be reduced and that such reduction be effected by canceling and extinguishing upto seventy five per cent (75%) of the total issued and paid-up share capital of the Company.

(b) The Company's Reserves and Surplus position as at 31st March, 2006 is as under –

Particulars	(Amt in Rs.)
Share Premium	9,89,01,086
Subsidy	20,00,000
Total	10,09,01,086

The company proposes to write off the above balance (excluding subsidy) against the accumulated losses of the company.

Thus the revised position of the accumulated losses of the company shall be as under.

Particulars	(Amt in Rs.)
Profit and Loss Account (Loss)	43,69,28,350
Less : Written off against Capital	(26,02,90,690)
Less : Written off against Reserves	(9,89,01,086)
Balance Accumulated Losses after adjustments	7,77,86,574

This will strengthen the Balance Sheet of the Company benefiting the Company and its existing shareholders/ stakeholders.

It was further decided to consolidate the present face value of the Equity Shares of the Company of Re.1/- each to Face Value of Rs.10/- each, as the standard market face value of an Equity Shares of Rs.10/- each provides a better presentation.

Subsequent to the implementation of the proposed reduction & consolidation, the Issued, Subscribed and Paid-up share capital of the Company will be as follows:

34,70,54,260 Equity Shares reduced by 75% by write off against accumulated losses and consolidated into 86,76,357 Equity Shares of Rs.10/- each	Rs. 8,67,63,570/-
---	-------------------

In terms of approval of Board of Directors of the Company at its meeting held on 17th April, 2007, the Company has applied to BIFR vide its letter dated 23rd April, 2007 for granting various exemptions to the Company from complying with various provisions laid down under Company Law, SEBI Guidelines/Rules/ Regulations, Listing Agreement, other compliances, etc. for capital restructuring and other related matters.

The Board of Industrial & Financial Restructuring (BIFR) had issued an order dated 22nd June, 2007, granting various exemptions to the Companies Act, 1956, one of which was reduction & consolidation of share capital, verbatim written as under:

"The Company would be permitted to reduce the value of the present equity by 75% and the DCA/ ROC would exempt the Company from the applicable provisions of Section 94, Section 100 to Section 104 read with Section 78(1), Section 391 and other applicable provision(s) if any of the Companies Act, 1956 relating to 'Reduction of Share Capital' and Application of Premiums received on issue of Shares in r/o write down of 75% of the present equity capital and to write down the Company's existing reserves & surplus against the accumulated losses of the Company, and they would also permit the Company to alter Company's Share Capital in r/o consolidation of shares to face value of Rs. 10/- each."

Hence in terms of the BIFR order and in the best interest of shareholder/ stakeholders, the Directors recommend the resolutions at item no 6 & 7 to the members for their approval.

None of the Directors is interested or deemed to be concerned or interested in the proposed resolution except to the extent of their shareholding.
