CHAIRMAN'S MESSAGE

It gives me great pleasure to invite you all to the 50th Annual General Meeting of the Company. With the stable Governments both at the Central and State, we were anticipating quick turnaround in the economy and the growth rate was expected to be rapid. There was lot of expectations by the domestic investors as well as by the global investors that the stumbling block for the revival of the economy will be removed and the growth will be smoother and faster. But unfortunately, inspite of positive steps initiated by the Central Government, the revival of the economy is not what it ought to be. Though the growth is not on the expected lines and the sentiments among the investors is not what it should be, the expectations of the Indian and global investors is still very high. Investors have lot of confidence in the ability of the Central and State Governments to kick start the economy. Inspite of the initial disturbances, the economic performance is quite encouraging as we take into consideration some of the following parameters:

- GDP growth in India is estimated at 7.4% is one of the highest among the world.
- Inflation has decreased significantly from 11.2% to 5.2% as of March, 2015.
- Foreign tourist arrivals in India during 2014 was 7.46 million which translates to a 7.1% growth over the previous year.
- Foreign Exchange earnings have grown by 6.6% i.e. nearly US \$ 19.65 billion.

As the economy is on the growth path, we can expect the growth to be more robust in the coming year.

Performance of the Company for FY 2014-15

The standalone performance of the Company in FY 2014-15, we have gross revenue of Rs.77.79 Crores as against Rs.71.26 Crores in the previous year and consolidated gross revenue is Rs.110.08 Crores as against Rs.104.96 Crores in the previous year.

Present Status:

The problem of separation of State of Andhra Pradesh is no longer there and uncertainties are no longer felt by the people, the city of Hyderabad has come back to its original glory, and in the recent past we have witnessed a steady growth in occupancy levels as well as the room revenues. With Marriott, Hyd. and Courtyard, Hyd. put together we have 500 rooms and the large convention and meeting spaces. Now that Hyderabad is a preferred destination for its central location, best infrastructure etc., many national and international conferences are being planned in the future. That is a good news for the Hotel Industry as convention means more room occupancy and more sales of F&B. As all of you aware, we have divested Renaissance Hotel Project, Bangalore, to a SPV, where Viceroy Hotels Ltd. holds 40% stake and J.P.Morgan 60%. This hotel will be fully operational by November, 2015.

Through the sale of Chennai Project, the company's debt had been substantially reduced and we are striving hard to further reduce the debt. This measure shall help Company to strengthen its position. Our company is planning to expand its F&B business in a big way by opening F&B outlets in Hyderabad and other Metros. F&B business will be less capital intensive and can generate more revenues and profits in the near future.

Acknowledgment:

Before I conclude, on behalf of the Board of Directors of your Company, I wish to convey earnest thanks to the valued Shareholders for your continued support and trust in us.

I take this opportunity to thank the Government of India for its support to Hospitality Industry. I also acknowledge the support extended by the State Governments and all other authorities and regulatory agencies.
