MANAGEMENT DISCUSSION AND ANALYSIS REPORT

OVERVIEW 2007-08

Value Creation

The merger of Hulchul International Private Limited (HIPL), Vikas Utilities Private Limited (VUPL) and South Delhi Projects Private Limited (SDPPL) (Transferor Companies) with Vikas Profin Limited (VPL) (Transferee Company) has been completed.

As per the approval of the Hon'ble High Court of Delhi all the assets and liabilities of the transferee companies have been transferred to Vikas Profin Limited w.e.f. 1st April, 2007.

Following the merger, Vikas Profin Limited along with its registered office at New Delhi will have manufacturing facilities in the state of Rajasthan and Jammu & Kashmir as the existing manufacturing facilities at Rajasthan, which were under the group concern, M/S Vikas Utilities Private Ltd has come to the fold of Vikas Profin Limited. Moreover, the Company is about to set up manufacturing plant at SIDCO Industrial Complex, IGC Sambha, Jammu (J & K), which is a well-developed industrial area having the required infrastructure. The unit is expected to commence production in January 2009.

Financial Performance

During the year several benchmarks for sales, profits, net worth etc were set up by the Company. The merger of the Company will result in new growth momentum across all its businesses and markets. Also during the year ended March 2008 the earnings of the Company before interest, depreciation etc. was of Rs. 165.95 lacs as compared to the previous year Rs. 20.52 lacs. Also the profits of the Company before tax were Rs. 39.12 lacs as against Rs. 13.29 lacs in the previous year. The Company is further focusing on various other factors for accelerating growth such as:

strengthening business in existing markets and optimizing efforts across the entire Company.

Post merger Operations

The post amalgamation core business operations will revolve round plastics and Chemicals segment. It will include manufacturing as well as import and distribution of TPR, EVA, PVC and Plastic Compounds. Vikas Profin Limited intends to restrict their earlier exposure in real estate segment and shall now onwards be focusing on the trading and manufacturing segment of the newly setup plants. The real estate segment shall be auxiliary/supplementary to the core business and shall add to bottom line and consolidate the financial condition of the company down the line.

The Company will further expand its activities in the field of manufacturing. It has selected to foray in manufacturing of PVC heat stabilizers in technical collaboration with Chinese Company and install Pet washing and Recycling plant. The manufacturing of PVC stabilizers will be operative under Jammu Plant and the pet recycling plant will be located at Rajasthan

The merger will also enable the group to integrate its resources and will be in commanding position to expand its existing business line and improve the bottom line by achieving operational efficiencies and economies of scale. The merger will result in:

- Greater size and strength to listed entity of the group
- Instantaneous growth, snuffing competition & increased market share
- Enhancement in capabilities and capacities;
- Leveraging of Human and Physical resources of the companies
- Tax Benefits
