FORWARD-LOOKING STATEMENT

This Annual Report contains certain forward-looking statements with respect to the financial condition, results of operations and business of Vikas Ecotech Ltd. (VEL) and certain of the plans and objectives of VEL with respect to these items. Examples of forward-looking statements include statements made about our strategy, estimates of sales growth, future EBITDA and future developments in our business. Forward-looking statements can be identified generally as those containing words such as "anticipates", "assumes", "believes", "estimates", "expects", "should", "will", "will likely result", "forecast", "outlook", "projects", "may" or similar expressions. By their nature, forward-looking statements involve risk and uncertainty because they relate to future events and circumstances and there are many factors that could cause actual results and developments to differ materially from those expressed or implied by these forward-looking statements.

These factors include, but are not limited to, domestic & global economic and business conditions, the successful implementation of our strategy and our ability to realize the benefits of this strategy, our ability to develop and market new products, changes in legislation, legal claims, changes in exchange and interest rates, changes in tax rates, pension costs and actuarial assumptions, raw materials and employee costs, our ability to identify and complete successful acquisitions and to integrate those acquisitions into our business, our ability to successfully exit certain businesses or restructure our operations, the rate of technological changes, political, economic and other developments in countries where VEL operates, industry consolidation and competition. As a result, VEL's actual future results may differ materially from the plans, goals and expectations set forth in such forward-looking statements.

Any forward-looking statements made by or on behalf of the Company speak only as of the date they are made and are based upon the knowledge of and information available to the Directors on the date of the 2017 Annual Report.

The information in this report does not constitute an offer to sell or an invitation to buy shares in the company or an invitation or inducement to engage in any other investment activities. Past performance cannot be relied upon as a guide to future performance.
