DIRECTORS' REPORT AND MANAGEMENT DISCUSSION & ANALYSIS

To
The Members,

Your Directors have pleasure in presenting the Twenty Fifth Annual Report together with Audited Financial Statements which includes Balance Sheet, Profit & Loss Account and Cash Flow Statement of the Company for the year ended on 31st March 2016.

BUSINESS AFFAIRS & PHILOSOPHY

Your Company and its management has always been cautious of its brand and corporate image apart from its corporate social responsibility. Even within the limitation of having limited resources and infrastructure available at its disposal, the management of the Company has worked out product basket considering the strength of the Company and market acceptability and is consistently improving upon the same, so as to ensure that the products of the Company command its respect and demand in the market in terms of quality, service, acceptability, competitiveness etc. apart from giving maximum return on investment thereby multiplying the investors fund. After sanction of the revival scheme from the Hon'ble BIFR, the Company has been consistently making its efforts to re-establish its brand and product in the market. With emphasis on quality, competitiveness and service, the Company and its management is confident to itself on the rapid growth path very shortly. The Company has always endeavoured to provide innovative products with quality and the said approach of the management of your Company stands more strengthened by every passing moment.

OUTLOOK

The Company has reviewed its product basket and in consistency with the market demand and business prospect, it has been concentrating on security related products. In view of the financial constraints, the Company has been doing trading as well as manufacturing activities in security related products and services. Your Company, during limited period and under limited resources, has been able to create and capture a sizeable portion of security industry by trading and manufacturing digital video recorders, CCTV Cameras, Digital Call Bell Alarms and other products including accessories thereof. With the growth of crime and awareness in the society, the size of consumer is phenomenally increasing by every passing day in security related products and even the middle class of the Country has become a substantial portion of consumers of this industry. With the increase of spending power and corresponding individual threats, the demand in security related products are multiplying by every passing day as is even evident from the demand of the products of your Company. With the current trend, your Company, with its quality and services, is confident to become a market leader in northern India within a very short span of time and the management is confident to achieving the same at its earliest.

Your Company's performance during the year as compared to the last year is as under:

FINANCIAL RESULTS AND PERFORMANCE

We give below the financial highlights for the year under review: -

PARTICULARS	(RS. IN LACS)	
	Current Year	Previous Year

Profit/(Loss) before Depreciation, Interest/Financial Charges and Tax	(93.32)	124.40
Depreciation	79.64	77.03
Interest and Financial Charges	85.61	22.71
Profit/(Loss) before Extra-ordinary Items	(258.57)	24.66

Surplus brought forward	(3,692.08)	(3,715.33)
Balance in Profit & Loss A/c	(3,950.64)	(3,692.08)

Despite of all the constraints including non-adequate working capital and inability of the Company in raising fresh funds because of the recent rehabilitation from sickness of the Company in the recent past, the Company and its Directors have made all attempts and efforts to optimally utilize all the resources available at their disposal and although the net worth of the Company is positive, however, due to limitation and constraints upon the available working capital coupled with the unfavourable market condition, the financial result of the company for year under consideration has been negative. The revenue of the Company has decreased by 24.16% whereas the operational result has decreased substantially as compared to the last year with the same resources thereby incurring a net loss of Rs. 2.58 Crores.

Your management is confident that during the current year, the working capital fund requirement of the Company shall be slowly met by arranging fresh funds for which the Directors of the Company are making all their efforts and with the strength of its products, quality, marketing and other infrastructure facilities, the Company is confident that it will once again make a sizeable market and profitability in its operations. With this commitment to the investors, work force and society at large, the management

DIRECTORS' REPORT AND MANAGEMENT DISCUSSION & ANALYSIS Contd.

reassures you that your directors are putting all their efforts to arrange the working capital, which may take some time in view of the past history of the Company. But, they are confident about the potential of the Company and express their gratitude for the confidence reposed by the investors and all other stake holders.

TRANSFER TO RESERVES

No amount has been transferred to general reserves during the year under review.

DIVIDEND

Considering the results of the Company and in view of the accumulated losses together with the huge requirement of working capital, the Board has not recommended dividend on shares.

OUTLOOK ON THREATS, RISKS AND CONCERNS

The Company has an integrated approach to managing the risks inherent in various aspects of its business. As a part of this approach, the Board of Directors is responsible for monitoring risk levels on various parameters, and the Board of Directors supported by professionals in various fields is responsible for ensuring implementation of mitigation measures, if required. The Audit Committee provides the overall direction on the risk management policies.

The over all economic environment will have a strong bearing on how things shape in the coming years. Falling prices of the electronic products due to increasing competitiveness with the introduction of multiple variants in each product are potential risks. The over all Industrial and Business sentiment has been low during the last financial year. Your Company, therefore has planned to introduce high quality technically advanced gadgets in the Company's product basket once it meets the working capital requirement to start its operations in full capacity, which will expedite its revival scheme. The Company has already ventured into manufacturing and dealing of high quality CCTV cameras and Digital Video Recorders (DVR) meant for CCTV Cameras. Your Company, however, is confident that with further improvement in quality, competitively priced products and their utility, it will be able to expand its market share.

SEGMENT WISE PERFORMANCE

The Company has been operating in the electronic industry and dealing and manufacturing only electronic products including Security & Surveillance related electronic equipments. The Company's products are mainly electronic and therefore there is a single segment of operation. In view of the same, segment wise reporting is not required.

INTERNAL CONTROL SYSTEMS AND ADEQUACY

The Internal Control Systems of the Company are designed to provide adequate assurance on the efficiency of the operation and security of its assets, and the Company is committed to high standards in this regard. The accounting records are adequate for preparation of financial statements and other financial information. The adequacy and effectiveness of the Internal Control as well as compliance with laid down systems and policies are comprehensively monitored by your Company's Internal Auditors. The Audit Committee of the Board, which meets regularly, actively reviews Internal Control Systems as well as financial disclosures.

HUMAN RESOURCES AND INDUSTRIAL RELATIONS

The Company continues to have excellent employee relations. Your Directors acknowledge and thank the employees for their continuous support. The Company has strong commitments to follow the best of the HR practices and believes in up-lifting the overall competence of its employees through regular training, workshops and seminars.
