Considering the power requirements of manufacturing facilities, Vishal Fabrics Limited is planning to install a captive power plant of 6 MW. VFL is presently embarked upon enhancing its yarn dyeing and denim processing capacity by 80 million meter P.A. at Dholi, Ahmedabad (Gujarat).

### Product Spectrum

VFL has over 2000 workers and a team of over 100 staff members on board cumulatively. Relationship between the management and employees/ workers is so cordial that there has been no union of employees. Further, there have been no strikes, lock-out or any labour protest in our organization since inception.

Moving towards modern technology is not only limited to plant and processing. Vishal Fabrics Ltd. has leveraged extensive experience and technology to deliver solutions for today's rapidly changing environment. VFL, has easily adopted SAP and cloud based technology to keep track with modernisation. Moreover there is continuous training and development programs keep employees and workers abreast with technology and stay upgraded.

VFL also view public responsibility as an integral part of its business and actively seek out partnerships with agencies that develop and implement solutions to community needs. Members of senior management lead environmental Health and Safety program. Technology is evidence of a commitment to sustainability. Innovations demonstrate the spirit of sustainability - working to create business value while adding value to the environment and society.

State-of-the-Art technology and skilled personnel provide the greatest possible efficiency to Vishal Fabrics' functioning. Vishal Fabrics Limited has continued to lead the way, bringing its clients the best experience and providing value for money products.

## MANAGING DIRECTOR'S MESSAGE

Dear Stakeholders.

I welcome you all to this year's Annual General Meeting of your Company, Vishal Fabrics Limited. It gives me immense pleasure to share with you activities of your Company during financial year 2017–18.

The company focused on expansions, vertical synergy, cost effectiveness, and high productivity and has scored high not only in monetary terms, but also in welfare activities.

I am glad to explain that your Company has achieved Operational revenue of Rs. 890.94/-Crorein Financial Year 2017-18 as compared to Rs 373.64/- Crore in the previous financial year and the profit before depreciation and tax also increased by 31.26 %, of Rs. 33.34/- Crore in the financial year 2017-18as compared to previous financial Year of Rs. 25.40/- Crore.

Your Company has successfully completed 4 years of Listing with BSE and also Migrated from SME to Main Board. While we have progressed a long way since the listing date, we believe the journey has just begun as we continue our endeavors to climb higher. Our aim and ambition continues to build a robust organization with a

strong foundation that can weather challenges and create value for its stakeholders over many more decades.

Though the present industry scenario is challenging, Our Company expects to sustain its growth on the back of various initiatives taken in the past and in the coming years. Not with standing the macro economic slowdown, your company established high levels of governance and financial discipline and continue to remain focused on pursuing profitable growth.

I would like to express gratitude to employees, Creditors, Customers, Bankers and all stakeholders for their continued faith in the Company and the understanding they have shown during the past years. With this confidence I assure you all that the company will continue to grow and achieve its set targets.

Thank you for your support
Yours Faithfully,
Sd/Managing Director
Brijmohan D. Chiripal
