Dear Shareholders,

A perusal of the results for the year 2004-05 shows that we have again come out with flying colours. This has been made possible by the consistent efforts of our people and the faith and confidence placed in us by our stakeholders.

The demand for paper is influenced by various macro-economic factors like, national economic growth, industrial production, promotional expenditure, population growth and the Government's allocation for the educational sector. Keeping in view the robust economic activity and growth of the Indian Economy, the domestic demand for paper is expected to grow by 6-7%.

It is heartening to note that many of our valued customers have announced their 'capacity expansion' plans for the coming years, which offer excellent growth potential for your Company. I assure you that your Company is totally equipped and has adequate resources to meet the likely rise in demand of its products in the near future.

We are proud to have long-lasting relationships with our customers, suppliers, bankers, shareholders and other stakeholders. Whatever the future has in store, we will continue to do everything in our power to justify the trust everyone has placed in our Company.

Warm regards,

Michael Cartmell
Chairman
