OPERATIONAL REVIEW :

With the recessionary trend continuing in the international market, the turnover of the Company increased only marginally from Rs. 1075.01 lacs in the previous year to Rs. 1127.17 lacs only. The cost of production and administrative costs were kept under strict control. Furthermore, your company has been able to get the sanction of the Financial Institution for waiver of penal interests and a financial rehabilitation package which will give long term benefits to the company. As a result, the financial cost of the company which was mounting up in the past few years, will also be under control. The company had a cash profit of Rs. 8.59 lacs during the year as against cash loss of Rs. 172.09 lacs during the previous year. Your Directors are confident of a much better financial results in the years to come.

With the adoption of the latest technology to process 6 inch wafers, your company has gained enormously by way of reduction in production costs. The company is now able to manufacture solar PV Modules of Higher Wattage which has good international demand. The products have already started to receive good response and acclaim from its customers. The company also received ISO 9002 certificate. Your Directors are pleased to inform that your company is the first among the Asian countries to receive the internationally coveted ISPRC certificate. The benefits of those quality certificates will be available to the company in the years to come.

EQUITY SHARE CAPITAL

Your Company issued Equity Shares of Rs. 203.32 lacs towards conversion of Unsecured Loans pursuant to the approval accorded by the Shareholders of your Company at the Annual General Meeting held on 24th December, 1998. Consequent to the above issue, your Company's Equity Capital stands enhanced to Rs. 651.32 lacs.
