LETTER FROM THE CHAIRMAN

Dear Members,

It is my pleasure to welcome you all to the 112th Annual General Meeting and present the Annual Report of your company. The year under consideration covers the period April 2020 to March 2021.

My sincere wishes that each of you is safe and well in these times. This last year was full of uncertainties, however, we were extremely focused to ensure the safety and wellbeing of all our employees amidst challenges for the operations. We have set up vaccination centres at our campuses across several locations to ensure our operations are not hindered, and all our employees and their families get vaccinated in the near future.

Our leadership team came together and focused on ensuring we were delivering our products as per customer requirements. Our cross-functional teams have brought the best of all our capabilities together by working in unison, to support and drive the digital transformation journey within the Organization. Your company ended FY 2020-21 with total revenue of INR 351 Crore. It is through the efforts of our team that we could increase our revenue by 9% compared to the previous year, even though the first quarter was badly affected due to COVID. WIL is confident to continue this momentum & have much-improved performances in the next fiscal years. For me, it is a matter of pride to see the commitment and dedication that our employees displayed during this year to serve our customers.

The year FY 20-21 was extremely unpredictable. Nonetheless, your Company was successful in booking orders to the magnitude of approximately INR 200 Cr to end the FY 2020-21 with a healthy order book of INR 762 Cr. As I look ahead, I am more optimistic than ever of the enormous opportunity ahead of us. With the opening up of the economy, WIL is well poised to book orders in its diversified sectors with a profitable mix.

We continue to be active in diversified sectors including our strategic Government businesses & our product businesses to have the desired balance between long gestation projects & our engineering products. We have successfully made an entry into manufacturing of Process Equipment for Chemical, Fertilizer and Steel Industries.

Human Resource Management has been at the forefront of our initiatives this year. We have focussed on the development of talent at all levels of hierarchy to build a line of leadership that is ready to take up higher responsibilities in the years to come. Our initiatives in digitization have enabled us to provide a learning experience for all our employees, even during the lockdown.

I am extremely grateful to our customers, the entire WIL team, board members, shareholders and all well-wishers, who have supported us with their trust and support through this most challenging year.

Thank You,

A handwritten signature in dark ink, appearing to read 'Chakor L. Doshi'.
