'Change' as we know is the essence of life and the only thing that's constant. At Welspun too, we have been experiencing 'Change' every year and 2009-10 was no exception.

The year marked Welspun's foray into the world of infrastructure through Welspun Infratech Ltd. followed by the landmark agreement with a Middle-East Pipe company having a state-of-the-art Spiral pipe and Coating facility enabling Welspun full operational control in the company to cater to the large Middle-East and North - African market. The fund-raising of US\$ 250 million during the economic downturn and an outstanding order-book (Crossing \$ 1.3 billion) further reaffirms the trust that our investors and clients have expressed in Welspun.

During this year, our name also went through a transformation. Welspun Gujarat Stahl Rohren Ltd., which began in 1995 today is changed to WELSPUN CORP LTD. The new identity embodies Welspun's global reach and reinstates the commitment of the Company to achieve utmost customer satisfaction by understanding the needs of global markets.

With our growth pace and our will to acclimatise to the ever-changing scenario, we believe that Welspun Corp Ltd. will pave way to fulfil our dream of being one of the most respectable Company in the World.
