Seamless pipes	11	11	1077	419	873	902

The Company has lost production for 24 days in October 2014 due to breakdown in transformer. Entire steel industry is operating at 30-40% capacity.

The Company concentrates on niche market since our competitors manufacturing facilities are based on blast furnace which has low cost of production as compared to our facilities which is based on electrical furnace. The management concentrates on product mix which give more margin, some of the products are now approved by Original Equipment Manufacturers (OEM) and some of the OEM has recommended to their suppliers (forger companies) to buy products from the Company.

Value addition in Spheroidization will increase our tonnages from existing & new customers with higher contributions. Production of high margin & high value added category of steel is already started & will enhance our overall earnings. The Product known as AISI O-1 is used in the Pharma industry

The Company has appointed BOB Capital Markets Ltd to carry out viability study & to structure Corrective action plan (CAP) for the Company. The exercise is done to structure a viable rectification plan for the Company to overcome the current stress. As per the scheme, Rupee Term Loan of Rs. 145 Crores is approved by the consortium banks & Working capital limits will be reduced by Rs. 95 Crores.
