Item 4 : As the trading in the company's equity shares on the non-regional stock exchanges was negligible and there was a considerable increase in the listing fee payable to them. Accordingly, in view of the above factors and as a measure of economy, the Board of Directors had decided to delist the Company's equity shares from the non-regional stock exchanges at Madras and New Delhi and applications for delisting the Company's shares were made to these stock exchanges. The Company has been now advised by SEBI to comply with their guidelines dated 29.4.1998 for voluntary delisting by Companies which, inter alia, require approval of shareholders by a special resolution passed at the General Meeting. Accordingly, this resolution is commended for your approval. The Directors holding shares in the Company may be deemed to be concerned or interested in the resolution to the extent of their shareholding.

Item No. 5 : The Act presently prohibits a company from purchasing its Own Shares. However, it is anticipated that the law may in future permit a company to buy back its own shares.

Subject to the buy-back of securities being legally permissible, it is proposed to enable the Company to buy back its Ordinary Shares, not exceeding such percentage of the paid-up capital of the Company from the Members of the Company either from the open market or from the share holders as may be permitted by the law. The buy-back of shares would be at the rate and from the funds permitted by the law as set out in the Resolution.

The Resolution, if approved, will be operative for and will be given effect to within a period of 15 months from the date of passing the Resolution or such other time limit laid by the law.

The Directors commend the Resolution for acceptance by the Members.
