III. Other information:

The Capital Goods industry is the very foundation of a strong, resilient and vibrant manufacturing sector. The capital goods sector is of strategic importance in enabling robust manufacturing sector growth, and needs to

grow at a rate 5% to 6% higher than manufacturing growth. It has a multiplier effect on overall economic growth as it facilitates faster growth for a broad base of user industry inputs, i.e. machinery and equipment necessary for manufacturing. The progress of the capital goods sector is closely watched as it is a lead indicator for the investment conditions and the level of growth represents investor sentiments and signals the next level of growth. The industry has witnessed a slowdown in order booking due to rise in Chinese imports, increase in import of second hand machinery, etc.

The Company is engaged in the business of manufacturing and selling of plastic processing machines for Extrusion as well as Injection Moulding. During the year 2015-2016 the Company has sold 531 machines to achieve turnover of ₹ 277.43 crores. Since last few years the Company is doing well and has earned profits. However, the Company is dealing in capital goods and considering the challenges for the industry in view of its cyclical nature, the profit of the company may be diluted in coming few years depending on demand for capital goods which is directly linked to investment climate in the economy.

In spite of challenges, the Company has also taken steps for curtailing expenditure, product cost, introduction of high value added products, new product range, aggressive marketing. This would help the Company to improve its results further.

IV. Disclosures :

Except Mr. T. S. Rajan & his relatives, none of the Directors/Key Managerial Personnel of the Company/their relatives is, in any way, concerned or interested, financially or otherwise, in the resolution.

ITEM NO. 7 : Issue, Offer and Allotment of Stock Options under scheme titled "Windsor Stock Options Plan - 2016".

Stock Options, inter alia, serve to motivate, reward and retain employees, attract specialists/senior professionals, recognize and reward exceptional performance and facilitate continued building of co-created organization where the objectives of the employees are aligned with that of the Company on the longer term.

Stock Options provide for a right and an option to the grantees to exercise them and thereby acquire equity shares of the Company.

Accordingly, it is proposed to institute a scheme for stock options ("Stock Options") called Windsor Stock Options Plan 2016 ("the Plan") for such of the eligible employees (as defined under the Plan), in such manner, on such terms and of such quantity as determined by the Compensation Committee at its sole discretion from time to time under the overall supervision of the Board. The Compensation Committee shall have full powers to administer and implement the Plan for Stock Options of the Company in accordance with and subject to the Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014 ("the Regulations") and guidelines/circulars prescribed/issued thereunder and subject to the overall supervision of the Board. The Company had earlier obtained approval of the shareholders in the annual general meeting of the Company held on September 29, 2014 for setting up of a scheme for issuance of stock options. The Company has till date not issued any stock options under the said scheme. However, the SEBI had soon thereafter notified the Regulations that provided for amended requirements for issuance of stock options. Accordingly, the Company has decided to set up a fresh scheme, in replacement of the earlier scheme, which shall be in compliance with such newly notified Regulations.

The information as required under Clause 6.2 of the Regulations setting out the salient features of the Windsor Stock Options Plan 2016 and further explaining proposal is given below:

- a. Brief Description of the scheme: The Board of Directors with the view of implementing a globally recognized tool of incentivising, rewarding and retaining employees and to encourage value creation and value sharing with the employees, has proposed to institute the Windsor Stock Options Plan 2016 and grant stock options thereunder. The Stock Options would be granted to such persons, being Eligible Employees as defined in such Plan (other than those disqualified under the Regulations), on such terms and of such quantity as the Compensation Committee may determine from time to time. The Stock Options, on exercise in accordance with the terms thereof, shall be eligible for issuance and allotment of one fully paid up equity share for every Stock Option so exercised. The said Plan shall conform to applicable Regulations and applicable provisions of the Companies Act, 2013 and such other provisions of law as are applicable.
- b. Total Number of Stock Options to be granted: The aggregate number of Stock Options proposed to be granted under the Plan, from time to time, shall not exceed 30,00,000 (Thirty Lacs only) (or such other adjusted figure for any re-organization of capital structure or corporate actions in accordance with the provisions of the Plan).
- c. Identification of classes of employees entitled to participate and be beneficiaries in the Plan: The Plan shall generally extend to all Eligible Employees as defined in the Plan and the Stock Options shall be granted to such of them, of such quantity, in such manner and at such terms as the Compensation Committee may decide at its discretion from time to time. Eligible Employees mean the permanent employees of the Company and its directors (excluding Independent Directors and promoters/members of the Promoter Group of the Company & other ineligible persons under the Regulations), as may be determined by the Compensation Committee at its discretion.
- d. Requirements of vesting, period of vesting and maximum period subject to the Regulations within which the Stock Options shall be vested: The continuation of an employee in the services of the Company shall be the primary requirement of the vesting of the Stock Options, except under such situations as the Compensation Committee may decide and as permissible/required under the Regulations. The minimum vesting period would be one year from the date of grant and the maximum vesting period shall be five years from the date of grant.

Within this minimum and maximum vesting period, the Compensation Committee may decide varying terms for different tranches of Stock Options and generally for different categories of employees or individual employees.
