

*Ecological Sustainability
A defining force*

Annual Report 2007-08

Our Ecological Sustainability Vision

*Business cannot be built at the cost of ecology.
It is not sustainable.*

*Ecological Sustainability will increasingly be the
defining force for society and business globally.*

*Wipro believes Ecological Sustainability is the
right thing to do - in fact is the only way forward.*

*Eco Eye is our comprehensive program that
drives increasing ecological sustainability in all
our operations, as also areas of our influence.*

*We work on dimensions of carbon neutrality,
water balance, waste management
and bio-diversity.*

*The initiative attempts to engage with increasing
levels of intensity with all stakeholders - our own
employees, partners, suppliers, customers and
immediate communities...*

*Eco Eye is the "eye" through which
we attempt to see everything,
and act for ecological sustainability.*

Our Annual Report consists of two booklets. This booklet contains detailed Financial Statement and Corporate Governance report. The other booklet contains business overview, summarized version of Financial Statements and Corporate Governance Report.

Amalgamation of Companies

The Scheme of Amalgamation for merger of Wipro Infrastructure Engineering Limited, Wipro Healthcare IT Limited, Quantech Global Services Limited (subsidiary companies) with Wipro Limited was approved during the financial year 2007-08 by the Honourable High Court of Karnataka and the Honourable High Court of Andhra Pradesh.

The Scheme of Amalgamation for merger of mPact Technology Services Private Limited, mPower Software Services (India) Private Limited and cMango India Private Limited (step subsidiary companies) with Wipro Limited was approved during the financial year 2007-08 by the Honourable High Court of Karnataka and the Honourable High Court of Bombay.

Pursuant to filing of certified copies of orders of the High Court of Karnataka, High Court of Bombay and High Court of Andhra Pradesh with the respective Offices of the Registrar of Companies, the above direct and step subsidiary companies of Wipro Limited are merged with Wipro Limited. The merger comes into effect from the Appointed

Date i.e. April 1, 2007. The Annual Report of Wipro Limited for the year 2007-08 has been prepared after giving effect to these amalgamations.

Subsidiary Companies

Your Company today is a global corporation having operations in more than 35 countries through more than 75 subsidiary companies, joint ventures and associate companies. Section 212 of the Companies Act, 1956, requires that we attach the Directors' Report, Balance Sheet and Profit and Loss Account of our subsidiary companies. We believe that the Consolidated Financial Statements present a more comprehensive picture rather than the standalone financial statements of Wipro Limited and each of its subsidiaries. We, therefore, applied to the Ministry of Corporate Affairs, Government of India and sought exemption from the requirement to present detailed financial statements of each subsidiary. The Ministry of Corporate Affairs, Government of India has granted the exemption. In compliance with the terms of the exemption we have presented in pages 85 through 87, summary financial information for each subsidiary. Summary financial information includes Share Capital, Reserves and

Surplus, Total Assets, Total Liabilities, our holding in the subsidiary, Sales and other income, profit before taxation, provision for taxation, profit after taxation and proposed dividend. As permitted by SEBI guidelines and Companies Act, 1956, we have included the abridged financial statements of Wipro Limited in this annual report. The detailed financial statements and audit reports of Wipro Limited and subsidiaries are available for inspection at the registered office of the Company and upon written request from a shareholder, we will arrange to deliver copies of the detailed financial statements.

Consolidated Results

Our Sales and other income for the current year grew by 34% to Rs. 203,970 million and our Profit for the year was Rs. 32,829 million, an increase of 12% over the previous year. Over the last 10 years, our Sales have grown at a Compounded Annual Growth Rate (CAGR) of 31% and Profit after Tax at 41%.

Dividend

Your Directors declared an Interim Dividend of Rs. 2 per equity share of Rs. 2 each on October 19, 2007. The record date for the purpose of payment of Interim Dividend was fixed as October 26, 2007 and was paid to our shareholders who were on the Register of Members as at the closing hours of October 26, 2007.

Your Directors have recommended a final Dividend of Rs. 4 per equity share of Rs. 2 each to be appropriated from the profits of the year 2007-08 subject to the approval of the shareholders at the ensuing Annual General Meeting. The Dividend will be paid in compliance with applicable regulations.

During the year 2007-08, unclaimed dividend of Rs. 54,725 was transferred to the Investor Education and Protection Fund, as required by the Investor Education and Protection Fund (Awareness and Protection of Investor) Rules, 2001.

Acquisitions and Joint Ventures

We have continued to pursue the strategy of acquiring businesses which complement our service offerings, provide access to niche skill sets and expand our presence in select geographies. We have a dedicated team of professionals who identify businesses which meet our strategic requirements and are cultural fit to Wipro. The following businesses have joined the Wipro family during the year :

1. Acquired 100% shareholding in Unza Holdings Limited ("Unza"), a Singapore based Fast Moving

Consumer Goods (FMCG) company together with its subsidiaries for an all cash consideration of approximately USD 246 million. This transaction establishes our presence in market for personal care products in South East Asia. We have introduced some of these brands in India.

2. Acquired Infocrossing, Inc., a NASDAQ listed US-based provider of IT infrastructure management, enterprise application and business process outsourcing services, for an acquisition price of about USD 600 million in an all cash deal. This acquisition created one of the world leaders in end-to-end IT infrastructure management solutions.
3. We acquired OKI Techno Centre Singapore Pte. Ltd. (now called as Wipro Techno Centre Singapore Pte. Ltd.) in an all cash deal of USD 2.5 million. This acquisition facilitated a strategic partnership in the area of design services for the semiconductor market.
4. Wipro partnered with DAR Al-Riyadh Holding Co. Limited to form a joint venture namely Wipro Arabia Limited. The purpose of this Joint Venture is to provide software application development, implementation and maintenance services, systems integration and data storage services in the Kingdom of Saudi Arabia.

Wipro's R&D Activities : 2007-08

Wipro's R&D focus has been to strengthen the portfolio of Centers of Excellence (CoE) and Innovation projects. As part of this focus, over 600 people have been engaged across 60 CoEs and 40 Innovation projects. Our R&D efforts have contributed revenues of USD 368 million which is approximately 11% of our Global IT Services and Products revenue for the year.

At Wipro, we have institutionalised the spirit of Innovation through our corporate Innovation initiative which began in 2000. We are now deriving business value from these investments.

Apart from solutions that span across *Process, Delivery, Business and Technology* domains, we added portfolio of quantum innovation projects in financial year 2006-07 and in financial year 2007-08, we included talent supply chain management into the innovation initiative.

Process Innovation

We have pioneered the adoption of *Lean & Six Sigma* principles into software development life cycle. Lean techniques have been adopted in over 340 projects. This has resulted in 20-30% of productivity improvements and 15% saving in efforts involved and better schedule adherence.

Delivery Innovation

Innovations under this category include *Software Factory model* & *Global Command Centre (GCC)* for standardised delivery of Application Development and IT Infrastructure Management respectively.

Business Innovation

Innovations under this category include solution frameworks and methodologies to develop industry specific solutions. Examples in this portfolio are *Sub Daily Production Planning & Scheduling*, *Mobile Workforce Management*, *Warranty Management*, *Business Analytics* and *Platform BPO*.

Technology Innovation

Innovations under this category include solutions with high Intellectual Property (IP) component, which can be delivered as a service thus giving the benefit of "time to market" for the customers. *Examples include IP components for IEEE 1394, Wireless LAN (802.11a/b/g and the upcoming 802.11n), Bluetooth, Ultra Wide Band (UWB), Wireless USB, Analog/Mixed-Signal IP cores and DTV middleware.*

Supply Chain Innovation

These innovations are related to inputs which are brought into the organization. Within IT service context, talent is one of the key "inputs". Innovation under this category includes *Magnum Opus* and *Mission 10x*. *Magnum Opus* is a distributed cost effective model to nurture young university talent pool across India by using open source environment. It was launched in 2006-07. *Mission 10x* is one of the Quantum Innovation projects to increase the employability of engineering graduates by promoting systemic changes to current teaching-learning paradigm in higher education system in India. It was formally launched on Teachers Day – September 5, 2007.

Quantum Innovation

At present we have 8 Quantum Innovation projects out of which 4 were initiated in 2006-07. Of these 8 projects, 6 are in different stages of prototype while for the remaining 2, breakthrough propositions are being evolved.

Centers of Excellence (CoE)

The goal of a CoE is to create competencies in emerging areas of technologies & industry and incubate new practices for business growth. We currently manage 60 CoE's across different technologies and industry verticals. Some examples of the CoE topics are SOA (Service Oriented Architecture), Virtualisation, Unified Communication, SaaS (Software as a Service), Data Privacy & Protection, IMS (IP multimedia subsystem), Remote Patient Monitoring, Image Processing, Supply Chain, Retail In-Store, Retail Pharmacy, Automotive, Open Source and Gaming.

Patents

Wipro has been granted 40 registered patents and has 62 pending applications. This includes 33 registered patents and 51 patent applications of OKI Techno Centre Singapore Pte. Limited (now called as Wipro Techno Centre Singapore Pte. Ltd.) acquired during the year.

Corporate Governance

We believe Corporate Governance is at the heart of Stakeholder value creation. Our governance practices are described separately in pages 21 through 39 of this annual report. We have obtained a certification from a Practising Company Secretary on our compliance with Clause 49 of the listing agreement with Indian Stock Exchanges. This certificate is given in page 39.

Personnel

Our Company is presenting the abridged accounts under Section 219 of the Companies Act, 1956. Pursuant to the Rules and Forms read with Section 219 of the Companies Act, 1956, the particulars of employees as required by Section 217(2A) of the Companies Act, 1956, read with the Companies (Particulars of Employee) Rules, 1975) have not been provided. However, the particulars of employees as required by Section 217 (2A) of the Companies Act, 1956, read with the Companies (Particulars of Employee) Rules, 1975, are available for inspection at the Registered Office of the Company and upon written request from a shareholder, we will arrange to deliver these details.
