In 1963, at Jaipur, with German Machinery and Technology, the Company started manufacturing Paper Machine Clothing namely Phosphor Bronze Wire Cloth for the Paper industry. Stainless Steel Wire Cloth was introduced in 1974. After further additions in capacity and products, in 1981 the Company entered into manufacturer of Single Layer Synthetic Forming Fabrics, with German collaboration. Double Layer Synthetic Forming Fabrics were introduced for the first time in India in 1986 and again Triple Layer Synthetic Forming Fabrics were introduced for the first time in India in 1996. Recently the company has also successfully entered in the field of Dryer Screens & Paper Making Chemicals both used in the Paper Industry.

Today, Wires & Fabriks is the market leader in India and the sub-continent for Synthetic Forming Fabrics and among the few manufacturers in world for Triple Layer Fabrics, which represents the latest in Synthetic Forming Fabrics Technology. In the Paper Making Chemicals, the Company has a tie up with some of the best overseas Paper Making Chemical manufacturers.

In 2001, the Company was awarded accreditation under the new ISO 9001:2000 system after being the first company in its field in India with an ISO 9002 certification in 1994. The Company is the first manufacturer of technical/industrial fabrics in the country to have its in-house R&D recognized by the Govt. of India. The Company constantly updates itself with modern machines and latest technology. It also exports its products to over twenty countries.

The Company's mission is to consistently delight its customers through its value added products and services and to create a strong technological base through an environment of team work which will enable it to become a world class manufacturer in its existing product line and to use its strength to diversify into other profitable ventures.
