FUJITSU ICIM LIMITED**DIRECTORS' REPORT****TO THE MEMBERS**

The Directors present the Annual Report together with the Audited Accounts for the year ended 30th September, 1998.

1. COMPANY PERFORMANCE

Financial results for the period, in summary, are :

	Rs. Lakhs 1997-98 (12 months)	Rs. Lakhs 1996-97 (18 months)
Sales, Rental & Other Services	3829	10734
Operating Loss	1394	2326
Miscellaneous & Other Income	2149	5500
Profit before Finance Charges and Depreciation	755	3174
Finance Charges	517	1882
Depreciation	131	383
Profit before Taxation	107	909
Provision for Taxation	70	150
Taxation adjustments in respect of Previous Years	(88)	—
Profit after Taxation	125	759

The Operating Loss for the periods given above is not comparable for two reasons: 1997-98 is a 12 months period as against 1996-97 which is an 18 months period. 1997-98 does not include any Revenue and Profits from the Company's Software business whereas 1996-97 records results from the Software business for a period of 6 months.

Miscellaneous and Other Income of Rs.21.5 crores for the year includes the Profit on sale of 10.67 acres land at Pune and, Interest and Dividend received from the subsidiary company, International Computers (India) Ltd. (ICIL). The substantially larger amount of Rs.55 crores of income under this head in 1996-97 included Profit on sale of the Software business to ICIL (Rs.25.2 crores) and the Profit on sale of the 25.1% of the Company's investment in ICIL (Rs.19.9 crores).

2. RESTRUCTURING PROGRAMME

In March 1996, the Company embarked on an extensive restructuring programme relating both to the Company's structure itself and its operations. Your Board is pleased to report that the entire programme has now been satisfactorily completed. In summary, the various milestones under this programme which have been successfully dealt with are :

- a) The creation of a separate Company for the Software business to provide better focus, so as to enable it to grow and develop under a separate management structure.
- b) The placement of 25.1% of the Software company with JF Electra (Mauritius) Ltd.
- c) The disposal of the Company's investments in RPG Datacraft and RPG Ricoh which were seen to be not relevant to the Company's long term strategic directions.
- d) Disposal of surplus properties. The major part of this exercise has been completed.
- e) The ongoing exercise relating to the downsizing of the Systems & Engineering Services business, and its eventual sale to a strategic buyer. This objective will be achieved after Shareholder approval expected next month.
- f) The substantial retirement of the very heavy and growing debt that the Company was faced with in 1996.

3. SALE OF SYSTEMS AND ENGINEERING SERVICES (SES) BUSINESS

With increasing competition and changing technology, the SES business is no longer an attractive business for the Company's future development. The Company has for quite some time been trying to sell the business and has eventually entered into a Memorandum of Understanding with Accel Limited to sell the SES business with effect from 1st January

FUJITSU ICIM LIMITED

1999, as a going concern, for a cash consideration of Rs.1150 lakhs subject to a Due Diligence and the take over by Accel Ltd of the Company's liability of Rs.1015 lakhs under existing lease arrangements of the SES business.

Under Accounting Standard AS 4 issued by The Institute of Chartered Accountants of India, the Directors are required to express an opinion on the financial effect of the proposed sale on the assets and liabilities of the SES business. This, to the extent ascertainable, has been determined as under :

- Adjustment for excess of book value of assets being transferred over purchase consideration - Rs.119 lakhs.
- Writing off an amount of Rs.113 lakhs relating to lease rentals currently carried forward in the Balance Sheet as "Miscellaneous Expenditure".
- Transfer of the Company's liability of Rs.1015 lakhs under the existing lease arrangements.

The proposed sale is a part of the restructuring plan which the Board has reviewed from time to time and after taking all factors into consideration, the Directors are of the opinion that the proposal for the sale to Accel Ltd is in the best interests of the Company. The proposal is being placed before the Shareholders for their approval at the Extraordinary General Meeting scheduled for 8th March, 1999.

4. PROSPECTS

The process relating to the sale of the Systems and Engineering Services business is expected to be completed by 31st March, 1999. The completion of the restructuring programme has resulted in a marked improvement in the Company's financial position.

5. SUBSIDIARY COMPANY

The consolidated Revenue of the Company's subsidiary, ICIL and ICIL's subsidiary company, ICIM International Inc. (III) for the year ended 31st March, 1998 was Rs.111.3 crores. Profit before Tax and Profit after Tax on a consolidated basis was Rs.20.4 crores and Rs.17.9 crores respectively. Since ICIL results for 1996-97 do not include the results pertaining to the Software business carried out by Fujitsu ICIM for the period 1st April, 1996 to 30th September, 1996, it is not possible to compare 1997-98 performance with 1996-97 performance.

The results of III, however, are comparable and reflect a growth in Revenue and Profit after Tax of 40% and 119% respectively.

6. PARTICULARS OF EMPLOYEES

The information required under sub-section (2A) of Section 217 of the Companies Act, 1956 read with the Companies (Particulars of Employees) Rules, 1975 for the 12 month period ended 30th September, 1998 is given in the Annexure to this Report.

7. DIVIDEND

In view of the accumulated losses, your Directors do not propose any dividend for the 12 month period ended 30th September, 1998.
