With the introduction of the Depositories Act, 1996 and the Depository system, some of the provisions of the Companies Act, 1956 relating to the issue, holding, transfer, transmission of shares and other securities have been amended to facilitate the implementation of the new system. The Depository system of holding the securities in an electronic form is a far safer and more convenient method for holding and trading in the securities of a company. As per the notification issued by the Securities & Exchange Board of India, the Company's securities shall compulsorily be traded in dematerialised form with effect from 25th September, 2000. It is, therefore, proposed that the Company's Articles of Association be suitably amended, as set out in the Resolution No. 5 to enable the Company to dematerialise its securities and to spell out the rights of the beneficial owner of the securities in such a system. While amending the Articles of Association of the Company, it is also proposed to insert Articles enabling the Company to reduce the capital and buy its own shares as provided in Section 77A of the Companies Act, 1956.

The Board commends the Resolution for acceptance by the members.

DIVIDEND

To consolidate the financial position of the Company, your Directors have not recommended any dividend.

OPERATIONS

The Company continued to face stiff unabated competition from Polyester Fibre through out the year. However, your Directors are glad to report that with aggressive marketing efforts, the Company could achieve higher sales and production, both value and volume wise, compared to any of the previous year. The international scenario took prices of PP Resins, the principal raw material, to its highest peak ever. The Company's inability to pass on full price escalation to its customers, resulted in continuous pressure on profit margin.

The Company achieved a turnover of Rs.1933.26 lacs and a pre-tax profit of Rs 43.96 lacs for the year under review as against Rs. 1747.37 lacs and Rs. 42.33 lacs respectively for the previous year. Other income was higher at Rs.10.73 lacs as against Rs.9.56 lacs for the previous year. Having adopted Accounting Standard 2 on 'Valuation of Inventories' as advised by the Council of The Institute of Chartered Accountants of India, the profitability has been lower to the extent of Rs.16.68 lacs.

Despite extremely turbulent situation in the international market, the total exports of PPSF was higher at Rs.225.80 lacs as against Rs. 175.58 lacs in the previous year, thereby registering an increase of about 29%. The Company is trying to further consolidate its position in this regard.

FUTURE PROSPECTS

Efforts are being made to increase domestic sales as well as exports. Certain other products may also be introduced by the Company in this regard during the current year.

LISTING OF SHARES

The Equity Capital of the Company is listed on Mumbai and Ahmedabad Stock Exchanges and listing fees has been paid upto the year 2000-2001.

Y2K COMPLIANCE

The change over to the new millennium was successful. The Company did not face any 'Y2K' related issues.
